When the Bishop Was Stumped.

Bishop Goodman was one day addressing a Sunday school when he said in a most expressive way: "And now, children, let me tell you a very sad fact. In Africa there are 10,000,000 square miles of territory without a single Sunday school where little boys and girls can spend their Sundays. Now, what should we all try to save up our money and do?"

And the class, as one voice, replied in ecstatic union, "Go to Africa!"—Watchword.

Mannish.

"She is such a mannish sort of woman."

"Mannish? Why, I have never noticed anything mannish about her. She dresses in a most becoming manner, she has a dainty personality and she doesn't seem to be at all inclined to engage in athletics."

"Oh, I know. But she can open a telegram without being agitated a bit."—Chicago Record-Herald.
