Patronize Home Bakery.

Again the new year is at hand, and as we look back over the past short months of 1911, we thank God for sparing our lives and for the many blessings we have received.

Among our many blessings, we find that we have been blessed with one of the best bakeries of any town of Monmouth's size in the State. Our health greatly depends upon the food we eat, and by the cleanliness with which it is prepared. By visiting the Monmouth bakery, we find as clean kitchen as can be found anywhere, and appreciate the fact that what we eat, (purchased at this place) is pure.

This bakery has been steadily improving, and I think, with one of Monmouth's most worthy young men as proprietor, it will start the new year in a way that will give entire satisfaction. It deserves your patronage. Give it a trial and surely you won't be disappointed. **DAN TIM.**

Passed Bad Checks.

Sheriff Grant is in Portland today where he went to bring back a man wanted here for passing alleged forged checks on Dallas merchants last Friday, while making Christmas purchases. The stranger bought an overcoat at the Bee Hive store and gave a check for \$16, signed by "W. H. Walker," and drawn on the Mc. Minnville National Bank, introducing himself as the owner of a 400 acre ranch between here and the Yamhill county seat. Within a few moments later he bought a couple of rings at Shepherd's jewelry store and tendered in payment a check on the same bank but bearing the signature of "W. H. Snyder." Mr. Shepherd was suspicious of the man and lost no time in forwarding the check to the bank upon which it was drawn, shortly after receiving the information that it was of no value.

Sheriff Grant was notified and discovered the check artist in Portland where he had been discovered on a similar charge. He will be brought back here for trial. — Dallas Observer.
