HAIR SWITCHES made from combings. Enquire at this office.

Unappreciated Sympathy.
A passenger who escaped uninjured from a serious railway smash, seeing a fellow traveler searching anxiously among the wreckage with a lantern, offered to assist in the search and, thinking the old man had lost his wife, asked in sympathetic tones, "What part of the train was she in?" Raising his lantern and glaring at the kindly disposed passenger, the old man shouted with indignant distinctness that triumphed over physical infirmity: "She, sir, she! I am looking for my teeth!"

Happiness Impossible.
"Mr. and Mrs. Wicherly seem to be such a happy couple."
"I think they merely pretend to be happy."
"Why do you say that? Have you any reason for believing they don't get along well together?"
"Oh, they may get along all right together, but they certainly can't be happy. She's getting stout, and he's beginning to lose his hair."—Chicago Record-Herald.
