Hand Badly Injured.

Last Tuesday forenoon W. W. Newman, while drilling a hole in a plow point which he had sharpened and was fitting on the plow, let go with his right hand, and looked around at some one who was speaking, when the steel he was working upon, was caught in some manner and turned quickly around, with the result that his left hand was very badly injured, the second finger being almost severed near the third joint, while the third was cut severely, the tendons on the palm side being partly severed.

Resolutions of Condolence on the Death of Zero Clark.

Whereas, the Great Commander of the universe has, in his wisdom, seen fit to permit the grim reaper, Death, to again invade our lodge and remove from our midst our beloved sister, Zero Clark, whose untimely death occurred January 16th, 1912,
