On Wednesday evening the Monmouth H. S. basket ball team with a goodly array of home people, went to Dallas to play the high school team of that city, and came back defeated by a score of 22 to 18 points.

This is the first time the Monmouth team met defeat this season, but the Dallas team realized before the game was over that they had opposition and taking into consideration that the Monmouth boys were on a strange floor, it is seen upon analyzing the game that they proved themselves to be the equal if not the superior players, and are anxious to have their opponents play them a return game.

They extended the Dallas team an invitation for the near future but that team gave out that they would not come.

The Monmouth team made 8 field baskets to 7 on the part of the Dallas boys, lead by 3 points tied at 6, 14, 16 and 18 points, Dallas winning on fouls.
