Fruit trees are quite well load-
ed with bloom throughout this
section of the Willamette valley,
and indicate plenty of fruit un-
less overtaken by late frosts.

Farmers are busy plowing,
harrowing, planting and seeding
all along the way from here to
Portland, but perhaps the most
uncommon sights we saw on our
way, Saturday, was a team com-
posed of three horses and an ox,
harnessed up and working four
abreast.

The Southern Pacific Company
has been trying to arouse greater
interest in the production of
barley and has imported two
varieties from Wisconsin and
placed some in the hands of
farmers along the company's
lines in Oregon, who will try out
the experiment by seeding out
one acre each. P. O. Powell has
been chosen to make the trial in
this locality.

E. M. SMITH.

Candidate for County Clerk.

Through the influence of many
men and taxpayers of the County,
I have become a candidate for
re-election.

It has generally been under-
stood that the fees of the County
Clerk's Office, for years past,
barely paid the expenses, and in
view of this fact I respectfully
submit the following figures,
showing the immense profit to
the County that this office has
become.

From January 1, 1911 to Janu-
ary 1, 1912.

The fees were	\$5,624.12
Hunting and fishing licences	1,368.00
Total fees	6,992.12
Salary of clerk	1,600.00
Salary of deputy clerk	900.00
Extra help at \$2.50 per day	588.75
Total expense	3,088.75
Clear profit to the county	2,535.37
Hunting and fishing license— State	1,368.00
Total profit	3,903.37

It is only by the experience
that I have had, constant atten-
tion to duties, and hard work,
that I am able to give you the
results of a business office.

If my record appeals to you I
respectfully ask your support, at
the Primary Election April 19th,
1912.

E. M. SMITH.
