There was a case of assault in our city last Sunday wherein Mrs. Tom Fennell, of Independence, threw a parcel in the face of Mrs. M. Wiltsey, breaking that lady's glasses which she had on at the time. The trouble arose over settlement for some sewing which the latter did for the former. After letting her anger get the better of her judgment. Mrs. Fennell, who was accompanied by her husband, left a check for the amount and took her leave.

Patrons of The Star Theater have learned that it is neither disgraceful nor vulgar to be a picture fan. There is no other fad that is so clean, so healthful, so entertaining, so delightful, so inexpensive, as the moving picture fad, and it has no evil after effects. Every picture is censored. Each manufacturer is striving for superior quality, and the censors are selected with greatest care. The latest machines produce the best possible pictures. These all tend to make the ideal entertainment.

### HIGH SCHOOL NOTES

The most interesting function of the past week was the Hard Time Social in the high school assembly hall, given by the M. H. S. seniors last Friday evening. There was a goodly number present and the many costumes, showing extreme poverty, afforded much amusement. The program was an interesting part of the evening's entertainment, being well rendered. The seniors feel well paid for their efforts and wish to express their appreciation of the help received from the citizens, and Normal students.

Dr. Windship's inspiring lecture in the Normal chapel Friday afternoon, was greatly enjoyed by the high school students and they hope to be able to listen to such an able speaker again soon.

The high school feels very keenly the loss of two of its students, Beatrice and Giles French, who have gone to make their home in Portland.

An interesting game of baseball was played Saturday afternoon between the freshman class of the high school and Buena Vista, the Monmouth team being victorious by a score of 17 to 16.

Miss Ballard was a welcome visitor of the school on Friday of last week.

On Tuesday morning the students were dismissed to listen to the speech of Senator LaFollette.

The privilege of listening to a Presidential candidate is one to be remembered.

On Friday, April 19, 1912, the following program will be rendered by the Philomathean society: Song, Society; Address, Prof. Gentle; Sayings, Florence
