Sixty-four relatives and friends gathered at the home of Tom Guthrie, six miles south of Dallas, May 28th, to celebrate the eighty-seventh birthday of D. M. Guthrie. A sumptuous dinner was served on two long tables on the porch, each one seating thirty-two persons, and a very enjoyable day was spent. Mr. H. E. ### Heavy Payment of Taxes.

More than \$270,350 has been paid into the strong box of Polk county by the taxpayers of the county up to the present time which is a much better record than has ever before been made in this county. The exact amount paid in, up to Wednesday, May 29, including interest and penalties amounted to \$270,356.92, of which amount \$226.99 represents interest and penalties on delinquent payments. There remains something like \$35,422 yet to be paid to wipe out the 1911 tax roll which approximated \$305,000, while last year's roll only reached \$230,000.

Of the \$35,422 yet to be paid the greater portion of this comprises the half payments on properties from people who have taken advantage of that provision of the statute. From all indications the delinquent list this year will be very small.—Dallas Observer.
