### Independence Boys Play Hold-up.

INDEPENDENCE, June 24.—An accidental shooting occurred here today which might have been fatal. Several small boys playing in the vicinity of the slough near J. L. Hanna's residence, were engaged in a game of "hold-up." They had several small toy pistols and other weapons of warfare which they used for the purpose of holding up their playmates. A little boy by the name of Jimmie Neal, it is reported, went into his home nearby and secured his father's pistol and after hunting up the chamber and shells proceeded to load and went out after his prey.

His first shot landed in the shoulder of the young son of D. D. Good and this was sufficient to break up the game for all were paralyzed with fright at the sound of a real gun and after detecting the damage done the alarm was given that Jimmie Neal had shot Davy Good. Doctors were quickly summoned and the bullet was removed. The bullet entered the front of the shoulder and penetrated through to the skin in the back. Drs. Hewitt and McIntyre removed the missile and the little boy is resting comfortably in bed. He is about 8 years of age.

E. E. Tripp rescued a man yesterday from falling under the wheels of the north bound passenger train on the Southern Pacific road. It seems that he was under the influence of liquor when he undertook to get on the train near the Hotel Independence as it was pulling out of town and fell toward the wheels. Mr. Tripp fortunately stood near when he fell and rushed to his rescue. His name was not learned, but it is understood that his home is near Amity.—Enterprise.
