John Got Surprised.

Our friend, J. W. Howell, was taken in last Saturday and while he hates to have anyone get the best of him, he was very agreeably surprised and made glad in the end. A lady approached him and enquired for board, to whom he talked for a short time and excused himself on the ground that his better half attended to that part of the business and dismissed the subject by referring the lady to his wife. The lady, however, was not so easily disposed of and said, "Don't you know me, John?"

Mr. Howell remarked that he did not remember her, but it turned out to be his sister, Mrs. Mattie Dyker, of Vancouver, B. C., who had been in attendance at a convention of the Rebekahs at Seattle and came on down to see her brother and family.

Mrs. Dyker is looking for a location and may probably settle here with her family and school her boy and girl, as the fame of the State Normal has attracted her attention even in her far-away home.

Mr. Howell accompanied his sister as far as Portland on her way home, yesterday, and will return today or tomorrow.

Aluminum Demonstration.

On Tuesday, July 9, the ladies of Monmouth were entertained at luncheon by Mr. and Mrs. A. A. Myers, who were demonstrating the "Wear Ever" Aluminum ware, and gave each one present, as a souvenir, a small pie plate.

There were about 75 present, hot cakes and coffee were served in connection with a pot roast, potatoes and brown gravy. All seemed to enjoy the demonstration and hence forth will sing the praise of "Wear Ever."
