EVENDEN-MARCUS.

It was quietly rumored when Mr. E. S. Evenden, of the Educational Department in the State Normal, left for his summer vacation in California that he might, on his return, bring as his wife one of the fair ladies of San Francisco. The report was well founded for on Monday last Mr. Evenden returned with his wife. At the home of Mr. and Mrs. Morris Marcus, 799 Clayton street, San Francisco, September 5th, the happy event took place. The ceremony was performed by the Rev. Dr. Aked. The wedding was a quiet home affair only the family and a few very personal friends were present. Mrs. Evenden, nee Louise Marcus, completed her work at Stanford, taking her degree in May; since graduation she has spent some time in Los Angeles and other interesting points in California; She is a cultured lady and we bespeak for her a ripening acquaintance among the ladies of our town. The many friends of Mr. Evenden here and throughout the state extend their warmest congratulations. Mr. and Mrs. Evenden have secured the Monroe Mulkey bungalow and will be at home to their many friends in a short time.
