THE CITY COUNCIL IN SESSION.

Allowed Claims And Authorized Sale of More Bonds.

The city council met Tuesday evening, all members being present except J. W. White.

The first business taken up was the examination of claims against the city as follows:

Graham & Son, hauling and freight advanced, \$21.83
L. Ground, for surveying street, 6.00
C. G. Griffa, oil, 7.00
L. J. Murdock, labor, 1.25
Katie Dunsmore, copying, .50
Herald, printing, 10.00
D. E. Stitt, recorder's fee, 8.60
Ore. Power Co., light, 29.70

Total \$84.88

After allowing the above claims the opening of the street from the county road at the creamery west to College street was taken up and an ordinance put through to its final passage creating said street and naming it Guin.

Mr. J. L. Mulkey applied to the council for permission to remove several trees in front of M. Mulkey's estate on Monmouth Avenue. A. B. Morlan was appointed to look the matter up and report to the council.

The issuance of more bonds to complete the water works was taken up and a resolution passed to issue \$5000 more, being the balance of the amount authorized by ordinance 142, adopted by the voters of the city, June 5, 1912.

Adjournment was then taken to meet Tuesday night, October 29 at 7:30 o'clock.

To Polk County Voters

As I have been urged by friends belonging to the different political parties, either to come out independent, or to accept the

nomination tendered me by the Prohibition Party, for the office of County School Superintendent, I have consented to make the race on that ticket in accordance with the following general principles:

Right, Not Policy.

If elected I will strive to do the right by every individual, district, and community.

I will be as economical as possible in the use of the public funds, consistent with efficiency. I will not act as agent for any school furnishing company.

I will not ask an increase in salary while in office.

Efficiency, Not Publicity.

If elected I will visit each school in the county at least once each year.

It shall be my earnest endeavor to bring about more helpful relations between the home and the school.

I will strive to have on exhibition in connection with the County Fair, some work from every school in the county.

Justice, Not Power.

If elected I will keep the office under personal supervision and will designate at least two days out of each week as office days.

I will not ask for more than one Supervisor to be elected by the Educational Board of the county.

I will not use my office as to perpetuate my continuance in office.

I will strive at all times to render the best possible service to the people, and will hold no ill-will against any one who does not support me.

I respectfully ask your support.

J. J. ARNOLD.

Vote for Millage Bill Number 320 X Yes

It provides six-tenths of a mill tax for support of Agricultural College and University of Oregon, giving them permanent support and taking them out of politics. It also provides one Board of Regents, thus solving the problems of co-operation, consolidation, division of sources and economy of management.

It does not increase the average rate of taxation.

It repeals the \$500,000 University appropriation bill.

The Bill is endorsed by Governor West: "This Bill is in the interest of good business and should pass."

By L. R. Alderman, State Superintendent Public Instruction: "Experience in other states shows millage bill principle to be correct."

By Will H. Daly, President, Oregon State Federation of Labor: "No argument can successfully combat the benefit to the state that will follow the adoption of the millage tax plan."

Endorsed by Portland Tax Payers League.

Bill prepared by committee of Governor's Commission, Boards of Regents, and administrative officers of the two institutions.

W. K. NEWELL
