## REGULAR PORTLAND LETTER

### Livestock Association Seeks to Aid Industry

### IRRIGATION CONGRESS IN PORTLAND

### County School Superintendents of Oregon Held Convention in Salem Last Week.

PORTLAND, ORE., Jan. 7.—Certain measures believed to be of benefit to the state as a whole are favored by the Oregon Pure-bred Livestock Association, which will present them to the coming session of the Legislature. Among these is the Livestock Sanitary Bill, which has the approval of the Grange, the woolgrowers, dairy association and the consumers League. The association also asks that \$50,000 out of the Panama-Pacific Exposition appropriation be set aside for livestock premiums to go to Oregon exhibitors.

An appropriation of \$10,000 is asked for purchasing livestock for the Oregon Experiment Station; this is to be a continuing appropriation. It is recommended that the premium fund for livestock at the State Fair be raised and that an annual appropriation of \$3,000 be made for the annual dairy show at Portland. It is also thought best to do away with district fairs and establish a county fair in each county. It is recommended that no state fair be held in 1915, but that this state join with the Panama-Pacific Exposition to hold the biggest stock show at San Francisco ever known.

Plans are complete for the Oregon Irrigation Congress, to be held in Portland January 9, 10 and 11, which will be attended by many from all parts of the state. Not only has there been an excellent program arranged, but there will be plenty of entertainment for the delegates. Two banquets are scheduled.

Oregonians aboard the special Royal Rosarian train that invaded California the past week made many friends for this state in the South. Their route was marked by demonstrations of welcome that proved the high regard in which the Beaver State is held and which will mean that Oregon will have a very prominent place in the 1915 expositions, both at San Francisco and San Diego.

Dates have been fixed for the annual convention of the American Association of Nurserymen in Portland next June 18, 19 and 20. As this is the week following the Rose Festival, an effort will be made to have the visitors come early in order to attend the flower fete. It is expected that from 400 to 500 Eastern members of the association will attend. The Pacific Coast Association of Nurserymen meets here at the same time, convening one day earlier to transact business of the organization.

Oregon county school superintendents in convention at Salem last week took steps to encourage the country life movement among

the school children of the state. They asked that the State Fair be held later in September to give more time for preparing school exhibits. It was also decided to foster poultry raising and several superintendents will try to get every pupil in their counties to raise not less than thirty chickens or ducks.

### Special Meetings at the Evangelical Church

W. A. GUEFFROY, Pastor.

### "Official" Photograph of The President Elect's Wife

© 1912, by Marceau, New York.

YOU have no doubt seen a picture of America's new "first lady of the land," Mrs. Woodrow Wilson, but this will interest you especially because it is her "official" photograph. Of all the pictures she has had taken since her husband was elected president this was selected by her as the best and promptly labeled "official." While Governor Wilson is laboring with appointments and the detail of his approaching assumption to office on March 4 next, Mrs. Wilson is busy with the social side of her new life. The duties as president's wife are many and exacting.

collected during November was \$70.75, and during December \$100.25, also \$6.00 for connecting J. L. Murdock's cottage with the water system, making a total of \$177.00, which was paid into the water works fund.

The old council having concluded its work then adjourned and the new officers were installed, and went into session.

By consent of the council Mayor Powell deferred the appointment of committees until the next meeting whereupon adjournment was taken.

Council meets in regular session Tuesday evening, January 14, 1913.

## STATE NORMAL SCHOOL NOTES

### Jubilee Singers Will be Here Jan. 28th Instead of 27th

### COUNTY SUPERINTENDENTS VISIT HERE

### Mrs. Carrie Jacobs-Bond Will Give Entertainment in the Chapel Saturday Night.

The Normal was favored last Monday by a visit from nineteen County Superintendents which was very much appreciated by the faculty and student body. The Normal feels that there is no body of people that stands closer to both the schools of the State and the Normal than does the County Superintendents, and therefore, they are doubly welcome here at any time. They spent the day in examining the work, both of the Normal and of the training school, and we trust that what they saw was satisfactory. The Domestic Science department served a dainty luncheon at noon time, of which the visitors spoke very highly. It required a great deal of enthusiasm on the part of the department to serve the lunch on so short notice, and just at the close of the vacation period, and their efforts are very much appreciated.

The time for the Jubilee Singers has been changed again from January 27 to January 28, just one day later.

Nearly every student was present Monday morning ready for their usual hard work. The spirit with which they returned was very commendable and speaks well for the enthusiasm of the student body as a whole. We regret to report that Miss Myrtle Cooley is so ill that she was taken to a hospital at Roseburg. Her many friends wish her a speedy recovery to her usual good health.

President Ackerman addressed the Salem high school Wednesday afternoon, and on Friday night of this week delivered an address under the auspices of the Philomath College at Philomath. He will return Saturday evening.

All who are interested in an evening of pleasure and a genuine musical treat, cannot afford to miss hearing Mrs. Carrie Jacobs-Bond on Saturday evening. Mrs. Bond is an artist of international reputation; as a composer and as a performer she ranks among the very best. It is characteristic of her recitals that they appeal most directly to the heart, touching most tenderly the bond of sympathy, stirring responsive memories and arousing the loftiest emotions; all who have heard her agree on the universal verdict of the subtle magic of her power and her ability to carry her audience completely by her simple but most charming presentation. All her productions breathe her own sweet personality and it is a rare opportunity to hear such an artist in so small a town. We bespeak for her a large and enthusiastic audience.

### To Study Leading Issues.

Attention ladies! Come study some of the leading issues of the day and meet at the Christia church, Sunday afternoon, at 3:30 o'clock, Jan. 12, 1913, to arrange for the study of Mormonism, a menace to the nation. Everybody in Monmouth and vicinity is invited to come and study this question and other questions of importance that will be of interest to us as a people. We hope to make this a permanent study class.
