

GO IN AND WIN THE GOAL

There are thousands to tell you it cannot be done;
 There are thousands to prophesy failure;
 There are thousands to point out to you, one by one,
 The dangers that wait to assail you;
 But just buckle in with a bit of a grin,
 Then take off your coat and go to it;
 Just start in to sing as you tackle the thing
 That "cannot be done" and you'll do it.

With the Churches

Baptist Church.
 By J. K. P. CARSON

Rev. Pollard preached again with clearness and force, both morning and evening. The subject at 11:00 a. m. was, "How to Do the Impossible"; text, Isaiah XL: 31. Moses, the exile, was commanded to go to Pharaoh and demand the release of the Children of Israel from bondage. Humanly speaking, it was an impossible undertaking; but Moses, plus God, could do any thing. David, the shepherd boy, was chosen of God to be king of Israel. Saul, the mighty, was king and it was impossible for David to dethrone him, but he recognized the leadership of God and the work was done. Before the disciples of Jesus could do the impossible they must be "endued with power."

We must have a knowledge of the unknowable before we can see the invisible. Elisha prayed that the eyes of the young man (his servant) might be opened and when opened by Divine agency, he saw the "mountain full of horses and chariots of fire around about Elisha."

We must have a vision of God; then by faith we take hold of Almighty power. The sculptor must first have a vision of the work of art to be produced before he can chisel it out of the unheven stone. Daniel, when a captive, saw the invisible and pictured the return of Israel to Canaan. Paul saw the invisible before he was able to do his mighty work.

We must hear the inaudible before we can do the impossible. The Lord was not in the wind-storm, nor in the earthquake, nor in the fire, but in the still, small, inaudible voice. I King XIX: 11, 12.

Subject for next Sunday morning: "The Resurrection and the More Abundant Life." The evening subject: "Seek Not the Living Among the Dead."

There will be special Easter music, in charge of Miss Grace Davis, our director of music. Sunday school at 10:00 a. m. The public is cordially invited to all these services.

Christian Church.
 By J. M. ORRICK

The ladies' Sunday school class stood head with the largest attendance last Sunday. May they continue to grow.

The Mission Study Circle meets at the home of Mrs. Boots this afternoon. This temporary change was necessary because of conflicting meetings.

The Christian Endeavor society greatly enjoyed the report given by Miss Parker of the Northwest Christian Endeavor convention which was held in the Portland Central Christian church. Mr. Rottman, who is field secretary, was prevailed on to come to Monmouth and give a stereopticon lecture. He will be here this evening. Every one is urged to be present and enjoy this treat. Workers' conference at 7 p. m.; lecture, 7:30.

A number of men met last Fri-

day evening at the church and after careful consideration voted unanimously to meet and organize a "Men's Brotherhood," and accordingly they met again on Tuesday evening and perfected the organization, elected officers, adopted constitution and by-laws. From the interest manifested, this movement will result in great good.

Easter services next Sunday. Morning subject: "A Fruit Bearing Faith." Evening subject: "Death, Thorn and Easter Lily."

Evangelical Church.
 By W. A. GURFFROY

There will be no sunrise prayer meeting at the Evangelical church this year, but we have the pleasure to announce a sunrise Easter service at the college chapel on Easter morning at 7 o'clock. This meeting is called by the Y. W. C. A. of the college, and we would urge attendance on the part of our people.

Services for next Sunday will be Sunday school at 10 o'clock, and a childrens' Easter service at 11 o'clock. This childrens' service will consist of songs and recitations by the primary and intermediate classes, and a childrens' sermon by the pastor. A special offering will be taken for the superannuated and orphan causes.

Y. P. A. at 6:30 and an Easter sermon at 7:30. Special music in the evening by the choir.

The non-church going public is cordially invited to come and worship with us, and all others will be welcome.

**Light The
 Path To Prosperity**

Merchants who use tungsten electric signs never lose their way by choosing the wrong road to success. You simply cannot fail to attract new customers if you use an electric sign. It acts like an irresistible magnet, drawing all the trade within its reach. Tungsten lamps give over twice the volume of light of any other incandescent lamp. That is the reason why they command the attention of buyers.

FOR EVERY STORE OWNER

no matter how small his business, the tungsten electric sign is the cheapest and most effective advertising.

Telephone DALLAS 24 and ask us to design a trade pulling sign for you—one which will be distinctive and operate economically. We make no charge for our advice and assistance.

OREGON POWER COMPANY

Illinois Watches are Good

Every woman should own an accurate time-piece, and one that will stand hard usage.

A woman's watch gets more rough treatment than a man's.

One moment in a handbag, the next in her belt, today in a chain, tomorrow as a chatelaine.

Walter G. Brown

Monmouth Time Table
