WINEGAR & LORENCE

Monmouth,

Oregon

The farmer who buys either the New Deere Gang or Sulky Plow gets absolutely the finest, most servicable implement of its kind ever produced. Before buying such a tool you'll want to know how it's built, how it works and what it will do for you. As to quality of the material and workmanship the name Deere on it is a sufficient guarantee for you on those points. For ease of operation and light draft the New Deere will be a happy surprise to you. The many new features which enable the operator to do work with it he never could do before, with a sulky or gang plow, are marvels of simplicity and effectiveness. It takes a whole book and a lot of illustrations to explain them all, and we know you will want to read the book.

The Senior girls of the Monmouth High School enjoyed a very pleasant evening, April 5, at the home of Miss Loette Shore, where they were entertained by the Senior boys. After an evening of games and music, a four-course dinner was served, following which an interesting business meeting was held, where plans for commencement were discussed.

Miss Pearl Davidson, who has been clerking in the postoffice here, received a telephone message late Thursday evening, of last week, calling for her immediate return to her home near Grants Pass on account of the serious illness of her mother. Miss Davidson went to Salem that night and took the 11:35 train for home. News since conveyed the information of the serious condition of her mother's health. She may not return here, as she will stay by her mother so long as her services are needed.

C. E. Huntley, of Independence, was in Monmouth Wednesday, having business which called him here. Mr. Huntley is deputy assessor for this district and will be here assessing in a few days.

The city council has authorized the street committee to have a concrete walk constructed in front of the Wills estate on Broad street and Murdock & White have commenced work on the east side of the street.

R. G. Dykstra, principal of the Suver school, was in Monmouth last Friday night, having business which called him this way. Mr. Dykstra intends attending Summer school at the Normal here this year.

Help Your Town

Help your town along by boosting! Wear a bright and hopeful face. Do not be forever roosting somewhere near the roosting place. You can't help your town by knocking, if it's in the back-

ward groove, but some optimistic talking does a lot to help things move. In the mud one town was sticking, evidently anchored there, for her people were all kicking, all were dishing up despair. All were groaning o'er their taxes, shedding tear drops in a stream; all had hammers, clubs and axes, ready for each helpful scheme. So the village sat and rotted till a booster landed there; soon the trouble's seat he spotted, saw the fungus in the air, and he jarred the village croakers, stirred them up to hump along, till the place was full of jokers and the breeze was full of song. Citizens forsook the habit of bawling this and that, and the timid business rabbit rustled like a tiger cat; and they all turned in, ker-whooping, singing forth the hamlet's praise, and that hamlet, lately drooping, filled its neighbors with amaze. Now this story, true as preaching, shows what one lone man can do, if instead of doleful screeching, he yells "cockadoodledoo." For you stimulate your neighbors every time you give three cheers, and the harvest of your labors will be reaped in coming years. —Walt Mason.

Dallas Gets Field Meet

April 7, 1913.

Dear Editor:—Some time ago I sent notice to your paper that the Principals' Club of the County had on foot a plan for holding an inter-school and field meet some where in the county.

The proposition has been submitted to the different towns of the county with the result that the commercial clubs of them made good propositions for entertaining the meet this year. After receiving the different proposals and submitting them to

the different principals who voted upon them, the result is that the meet will go to Dallas this year.

According to present plans, the meet will be held on the seventeenth of May. The meet is for all of the schools of the county, and it is expected to be a big event.

After the local county meet at Dallas, the winners of the events there will represent this county

in an inter-county meet between Yamhill and Polk, that is to be held at McMinnville on May the 24th. According to present plans these meets will not be for this year alone, but will be one of the inter-school events of each year. The inter-county meet for next year will be held at same place in Polk county next year.

Secretary.
