

With the Churches

Christian Church.

By J. M. ORRICK

Much interest is maintained in the Home Mission Study class which meets this Friday, 3:00 p. m., in the prayer meeting room of the church. Mrs. Reed is a most excellent leader and instructor. Class meets every alternate Friday.

Regular services next Sunday. Everyone is cordially invited.

Baptist Church.

By J. K. P. CARSON

The pastor announced as his text, Acts XVII: 27. Subject: "The Closeness of God." The Greeks were a religious people and in their zeal had erected an altar to "The unknown God." Paul declared that the living God, though unknown to them was "Not far from every one of us."

God is seen in nature; in the unfolding flower and in the harmony of a physical universe. "The heavens declare the Glory of God and the firmament showeth his handywork."

God is here in person, and Jesus was "God manifest in the flesh." He is here today listening to this sermon. Oh, if we could realize the closeness of God to us we would not do many things that we do. His pure eye looks upon us and He knows all we do.

We are the "Offspring of God;" "fearfully and wonderfully made." God thinks, loves, pities and has mercy; we in less degree, think, love, pity and have mercy. When we can fully think his thoughts, when we can love as He loves, when we can pity as He pities, when we can be merciful as He is merciful, then we will be in perfect accord with Him. "Faith has still its Olivet and love its Galilee."

We recently purchased fifty new song books and we are pleased that the interest has increased and the congregations grown, so that it has become necessary for us to order fifty more and we hope to be able to use them in the service next Sunday. Some splendid music was rendered by the choir. There will be special music hereafter at both the morning and evening services.

Subject for next Sunday morning: "The Empty House," and at the evening service: "The Original Man." Sunday school at 10 a. m. Everybody will find a hearty welcome.

Evangelical Church.

We appreciate very much the attendance of the Normal students at the Sunday school and services on last Sunday. Come again, for we believe that the Lord's day will be a greater blessing to all of us, as we attend divine services.

Next Sunday will be a big day, for we expect to have our district elder with us, and all have a mind to work.

The members and friends of our Young People's society are to spend this Friday evening with Mrs. Bowman, it being the time of the regular business meeting. Mr. Geo. McClellan will furnish the conveyance and requests that all those that are going meet at Morlan & Son's store at 7 o'clock.

Services: The Elder will preach on Saturday evening at 7:30 o'clock; will address the Sunday school at 10 o'clock, and preach again at 11 o'clock. He will also conduct a communion service at

the close of the morning's services. Young people's meeting at 6:30 and an experience meeting at 7:30. The people of Monmouth that do not worship at either of the other churches are especially invited and all are welcome.

Harry Davis, an employe of the Dallas Lumber & Logging company at its camp near Black Rock, was severely injured at the camp on Monday afternoon, when a cable broke and struck him on the head and body, cutting his scalp badly and injuring his foot. He was brought to the Dallas hospital and is reported as improving. —Dallas Observer.

Illinois Watches are Good

The Real value of a watch is in its time-keeping qualities, and it is the only feature of a watch that the average buyer does not see for himself at the time of purchase, therefore, buy your watch of a reliable dealer who understands his watches and knows exactly what may be expected of them.
