

With the Churches

Evangelical Church.

By W. A. GUEFFROY

We greatly appreciated the large and attentive audience on last Sunday and had the pleasure of receiving into the church five new members, by certificate. There are a number of others who have promised to affiliate themselves with us. That is the proper way to do. If your own church is not represented, why not unite with the one where you are welcome and made to feel at home. The local churches have need of your help and the moral needs of the community are such that the co-operation of all Christian people is solicited.

There will be preaching services in this church on Saturday evening, at 8 o'clock, by the Rev. C. L. Schuster, of Corvallis, and after that the business session of the Quarterly Conference. Let all members be present.

SERVICES FOR SUNDAY, JULY 20, 1913

The Rev. Mr. Schuster is an able preacher and you will not regret having heard him. An invitation is extended to the non-church affiliated public of Monmouth to come and worship with us. The student body is especially invited and all will be welcome. There will be special music.
