

BEFORE IT IS TOO LATE

Author Unknown

If you have a gray-haired mother
In the old home far away,
Sit right down and write the letter
You've neglected day by day.
Don't wait until her tired steps
Reach heaven's pearly gate,
But show her that you think of her,
Before it is too late.

If you have a tender message,
Or a loving word to say,
Do not wait till you forget it,
But just whisper it to-day;
Who can tell what bitter memories
May confront you if you wait,
So just make your loved one happy
Before it is too late.

We live but in the present
While the future is unknown,
To-morrow is a mystery,
To-day is all our own;
The chance that fortune now bestows
May vanish while you wait,
So grasp your opportunity
Before it is too late.

The tender word unspoken,
The letters never sent,
The long forgotten messages,
The wealth of love unspent;
For these some hearts are breaking,
For these some loved ones wait;
So show them that you care for them
Before it is too late.

With the Churches

Christian Church.

By H. F. JONES.

Greetings to the HERALD family.

The new minister and family are getting settled in their new home, and have been received so kindly by all that they feel at home already.

The audiences are increasing. The evening audience last Sunday filled everything but standing room.

Ten were added to the membership last Sunday.

Look in your trunk for that church letter; if you can not find it come any way.

A splendid start was made for the organization of an orchestra in the Bible School. If you play an instrument and are not busy, help us.

At the evening service Miss Oaks rendered a beautiful solo, which was appreciated by all.

Dedication time is drawing near. This will be a great time in the history of the church.

The contract for installing the heating plant has been let and the contracting firm promises to have the furnace in operation next Sunday.

The morning service next Sunday will be of special interest. Plan to attend.

Bring the children to the Bible School service at 10 o'clock next Sunday. Jesus said: "Except ye become as a little child ye shall not enter into the kingdom of heaven."

The Communion service at 11 o'clock bears special significance. You should be present.

The Christian Endeavor Society is getting a fine start for winter work. 6:30 is the hour. You will find a cordial welcome.

What do you do on Wednesday evening from 7:30 to 8:30? Come with us for this hour "and we will do you good."

The chorus is getting ready for splendid work. Rehearsal at 7 o'clock Thursday evening.

MAKING A LIFE.—Making a life is worth more than making a living. Making a living means the getting on in the world, by industry, by economy, by talent or genius, excelling others in obtaining positions or making what is generally called a success of life. Shall we be content to get

on in the world until we have to leave it or shall we lay deeper and broader foundations so that in the largest and highest sense of life we may say when eternity begins, "I have lived, not simply existed. Lived in the sense that God intended I should live."

WE WANT THE NEWS

When you have a little item, SEND IT IN.

There is no time like the present to begin;

We'll appreciate it too— Just like we always do—

If you'll promptly send your little item in.

When you hear that something happened

MAIL IT IN—

It will only take two pennies worth of tin;

You'll feel better every day

All along life's rugged way,

If you'll think about the printer, so begin.

If you know of any news

PHONE IT IN—

It will make us smile from forehead down to chin;

It will drive away the blues

When your neighbor reads the news,

So phone your local paper—phone it in.

When you hear of some occurrence

STEP RIGHT IN—

We will greet you with a "howdy" and a grin;

For we like to print the news

And 'twill save our only shoes

If we do not have to chase the items in.

car belonging to Stensloff Brothers and driven by Elliot Leslie.

Leslie was proceeding east on State street and Mrs. Kyle was crossing the street at Fourteenth when the fatal accident occurred. It was about 6 o'clock in the evening, quite dark, and according to the story of the driver he did not see Mrs. Kyle until the machine was almost upon her. She was conveyed to her home, where she died at 10 o'clock last night.

She was 64 years old, and was the daughter of the late G. W. Fray, a pioneer hardware merchant of this city. She leaves to survive her two sons, Gray and Hugh Kyle. Two brothers, George and Will Gray, live in Seattle.

One of the advantages of **electric lighting** is its flexibility. You can have as much or as little illumination as you need and have the lamp just where you want it—on ceiling, wall or table.

Although housewiring is now done without litter or disturbance to the household, one of the best times to make the installation is during the fall housecleaning.

Prepare for the winter months, not only with clean rooms and fresh paint and wall paper, but with **clean lighting—electric.**

Why not secure a cost estimate from an electrical contractor?

Watch Talk

IF it has been longer than eighteen months since you have had your watch cleaned and oiled, in all probability you are abusing it.

Ordinary machinery, when in constant use, is oiled several times daily, while a watch is often allowed to go without any attention.

DON'T subject your watch to such misuse. If you do you may find yourself in possession of a useless time keeper.
