Our sister city is doing lots of improving, either now under way or in contemplation, as will be seen by the following which is copied from the Independence Enterprise of last week:

Many new homes are being erected this spring in various parts of the city which shows a healthy as well as a prosperous condition of affairs locally at least. The editor of the Enterprise made a trip about the city this week and found the following new homes now being built: W. H. Ball. Henry Pulse.
