

FOR CONGRESS
W. C. HAWLEY

Candidate For Renomination
at the Republican Direct Primary on Friday, May 15, 1914.

He has gained a high standing and useful experience in Congress, which is at the service of every locality in the District.

He freely and gladly does all that can be done for every man, woman and child in the District who makes a request, and has aided thousands.

When Congress is not in session, he spends the time going over the District, learning its needs and the wishes of the people.

Members of the Rivers and Harbors Committee have said that he knows more about the waterways in his District and presents their merits more effectively than any other who appears before them.

FOUR PER CENT of the WHOLE amount appropriated in the present Rivers and Harbors bills is for this District.

He has already secured over \$4,000,000 for waterways, buildings and other public purposes and will add to that at this session over \$2,000,000 more, which is an average of over \$870,000 per year.

HE IS JUST AS DILIGENT, PERSISTENT AND SUCCESSFUL IN ALL OTHER MATTERS PROMOTING THE WELFARE OF THE PEOPLE AND THE COUNTRY.

A VOTE FOR HIM IS A VOTE FOR A FAITHFUL, INDUSTRIOUS, HONEST, ABLE AND EFFECTIVE PUBLIC SERVANT.

Congress being now in session he leaves his candidacy in the hands of the voters, to whom he is profoundly grateful, while he serves their interests in Washington.

He will appreciate all that is said and done in his behalf.

Male Stenographers and Typewriters in Demand

The United States Civil Service Commission announces that while it has no difficulty in securing sufficient female stenographers and typewriters to meet the needs of the departments at Washington, the supply of male eligibles has not been equal to the demand. Young men who are at least 18 years of age and who are willing to accept the usual entrance salaries, which are \$840 and \$900 a year, have excellent opportunities for appointment. While the entrance salaries are low, advancement is reasonably rapid to those meriting it. The examinations, which any competent stenographer should be able to pass, are held each month in the year, except December, at the principal cities of the United States.

Full information in regard to the examination may be secured by addressing the United States Civil Service Commission, Washington, D. C.; or the District Secretary, Post Office, Boston, Mass., Philadelphia, Pa., Atlanta, Ga., Cincinnati, Ohio, Chicago, Ill., St. Paul, Minn., Seattle, Wash., San Francisco, Cal.; Customhouse, New York, N. Y., New Orleans, La., or Old Customhouse, St. Louis, Mo.

A HIGHWAY COLLISION

Cal Holem gave Falls City a visit Sunday in his auto, accompanied by Glen Work and Miss Anderson. Near Dallas a party ran into his auto with a motorcycle, striking the side of the auto between the doors. Neither machine was injured much but it was reported that the motorcyclist had one arm and some ribs hurt.

Below we give the account as printed in the Dallas Observer. Our informant placed the blame on the motorcycle turning to the wrong side.

Walter Mueller, while motorcycling on the North Dallas road Sunday morning collided with an automobile on a sharp turn, sustaining quite serious injuries. Both automobile and motorcycle were speeding along at a rapid pace. It is said the auto turned to the wrong side of the road. The unfortunate Mueller was taken to the home of Mr. Mitchell, and a physician called.
