Save Best Specimens

Portland, Ore., May 13, 1914

Dear Sir:

Oregon will be called upon frequently this Fall to furnish exhibit material for Eastern Land Shows, Eastern State Fairs, and for traveling exhibit cars.

A high standard was set last year with our exhibits—they were first everywhere. In order to maintain this established reputation, it will be necessary that your progressive growers keep in mind the importance of saving samples.

Will you help us to secure good specimens by notifying the growers of the necessity, and by giving this local publicity, etc. We will strictly adhere to the former policy of labeling all samples in the name of the County and Grower. Credit will be justly distributed.

Write us for any information. We desire to be of every possible assistance.

Yours cordially,

C. C. CHAPMAN,

Oregon State Immigration Agent.
