Now Boost For a Good Time July 4th

REGULAR PORTLAND LETTER

Oregon Industry League To Back State Industries

SALEM CHERRY FAIR JUNE 25-26-27

Oregon Out-of-Doors Life Display a Feature of Panama Pacific Exposition

PORTLAND, Ore., June 23.—A new organization, The Oregon Industry League, has recently been formed in Portland, the object of which is to conduct an educational campaign for the extension of the use of Oregon-made goods of all kinds, for the encouragement of all lines of industry in this state and for the moral and financial backing of all Oregon institutions. L. Samuel, for many years prominent as a leader on the movement for the support of Oregon industries, has been elected president of the organization. The campaign will be carried on through publications in the state, and the league may in time establish an official publication of its own. Meetings of all kinds, where the league can properly send its speakers will be covered and all large conventions in the state will be attended by its delegates. Twenty-one leading civic and commercial organizations of the city and state sent delegates to assist in the establishment of the new league and it is to bring to its assistance practically every organization of importance in the state.

A prominent feature of the Panama-Pacific Exposition will be an extensive Oregon out-of-doors life display to cost approximately \$10,000. An area 60x350 feet between the Oregon building and the bay shore has been secured by the Oregon Commission and contracts have been let for the initial work. This feature will be unique at the Exposition, nothing of the sort being attempted by any other state. One of the most interesting features will be a miniature reproduction of 200 miles of the Columbia River, showing fisheries, night signals, rapids and waterfalls. This realistic bit of scenery will extend approximately 60 feet. In addition, it is announced that a reservation of 7,000 square feet has been made for Oregon in the palaces of horticulture, agriculture and food products.

Wm. Tallman, of Baker, president of the Cattle and Horse Breeders' Association of Oregon, has advised O. M. Plummer, manager of the Pacific Northwest Livestock Association, that an important meeting of his society will be held in Portland during the livestock show at the Union Stockyards next Fall. Stock raisers from all over the Northwest will be expected to attend this convention.

One of the prominent features of the Salem Cherry Fair, to be held June 25-26-27, will be an electrical parade the last night of the show. There will probably be ten floats in line, all gorgeously decorated and illuminated. Another interesting feature will be

a street dance led by King Bing and Queen Ann and which will be participated in by the Cherrians and the Royal Rosarians of Portland.

The Secretary of the Interior has designated a tract of 284,000 acres of land in Oregon for entry under the enlarged homestead law. Most of these lands lie in the Deschutes and John Day river basins.

The first freight vessel to be towed through the Panama Canal was the Grace liner Santa Clara, carrying a cargo of Pacific Coast products, 90 per cent of which was loaded at Portland, nearly all of which will be discharged at New York. The vessel is comparatively new, this being her third trip to the Pacific Coast.

Has a Long Name

A gentleman of color, a Haitian missionary, lecturer and traveler, by the name of D. J. H. A. Z. (Alphabet) Swackhanner, called at the HERALD office Wednesday to use a type-writer for a short time as he is unable to write English and he desired to write a letter to President Ackerman. He begged a like favor at the bank, but as he was a big, husky looking fellow, and not the most prepossessing looking person in the world, Banker Powell thought proper to keep him on the outside, and phoned the HERALD office to inquire after his sanity.

Well, he was rather excited as he had been on the same train that carried many of the school-mams to Monmouth and their overflow of jubilation seems to have rested heavily upon him, and beside this he was very much put out by the manner and style of dress that the women wear, and he thinks that a man should cover his face with his hands when he sees a woman coming toward him wearing hobble skirts, split skirts or peek-a-boo "sleeves."

Wedding Bells

On Tuesday evening, of last week, at 9:30 o'clock, Miss Ellen Conkey of this place was united in marriage to Floyd L. Rice, of Dallas, the ceremony taking place at Dallas and being performed by Rev. Geo. H. Bennett. The young couple will reside in Dallas where Mr. Rice holds a position in the post office.

A quiet wedding took place in this city Wednesday evening of last week at the Evangelical parsonage when Miss Laura Conkey, of this place, and Richard Webster, of Dallas, were married, Rev. Fisher officiating. Only a few relatives of the bride were present. After the wedding the happy couple left for Newport for a short stay after which they will be at home in Dallas, the groom being employed in the Webster confectionery store at that place.

On Monday of this week Elwin Conkey, of Monmouth, and Pearl Hayes, of Dallas, were married at the home of the bride, Rev. Geo. H. Mitchell, pastor of the Presbyterian church officiating.

STATE NORMAL SCHOOL NOTES

Summer Session Opened Last Monday Morning

EVERY COUNTY BUT TWO REPRESENTED

First Week Closes With An Enrollment of 415—May Reach 450

The summer session of the Oregon Normal School opened Monday with an enrollment of 353, and closes the first week with an enrollment of 415, an increase of 125 over the total enrollment in the summer session of last year. The probabilities are that the total enrollment will reach 450, and the outlook is that there will be a scarcity of rooms, and it is hoped that every person in Monmouth that can spare a room will do so, and report the same to the President. We are particularly anxious to take good care of every student who wishes to take advantage of the summer school. Monday was taken up in enrollment and classification, and the regular class work began Tuesday morning without a hitch, and the spirit and attitude of the student body is all that could be desired. Every county in the State except Lake and Curry are represented. One of the features of the summer school will be the attendance of some sixteen rural supervisors who will be present at least a part of the time and discuss matters pertaining to their work. The faculty will tender a reception Saturday night to the student body and members of the alumni who may be living nearby. This event is the first one of the session, and promises to be a very interesting one.

The members of the faculty mostly spent their vacations in Monmouth, Miss Hoham and Miss West went to Newport, Miss Parrott to Portland, Miss Todd spent a few days visiting friends in the country, and Mr. and Mrs. Butler were a day or two in Portland, and all returned ready for work on time Monday morning.

GUEFFROY RECEPTION

The following is from the Tacoma News:

Friday evening members of the Park Avenue Evangelical church gave a reception welcoming their incoming pastor, Rev. W. A. Gueffroy, and his family. Sixty members and friends of the parish were present and a very enjoyable evening was spent. Frances E. Smith acted as toastmaster; responses were made by Fred Herzog, Orville Lange, Harry Rasmussen, Mrs. Sophia Smith, Dr. R. O. Ball, Mr. Grove and the Rev. Gueffroy. A duet was rendered by the Misses Keasal. Refreshments were served by the ladies of the church.

At the last annual session the Oregon conference of the Evangelical association set apart the Park Avenue church and appointed the Rev. Gueffroy pastor. The church starts with nearly 30 members.

Official Program of Dallas Chautauqua June 27 to July 2

R. D. Edwards, Superintendent. Dr. James H. McLaren, Morning Hour Lecturer.

CITY COUNCIL IN SESSION

All Members of the Board Were Present

ORDERS CLAIMS AGAINST CITY TO BE PAID

Resolution Ordering in Sidewalks Laid Over Till Tuesday Evening, June 30

The City Council met Tuesday evening with all members of the board present. After reading and approving the minutes of the previous meeting claims against the city as follows were read and order made for payment:

ON WATER FUND	
J. F. Moreland, Supt. waterworks	\$45.00
D. E. Stitt, col. water rents	5.00
D. C. McNeil, blacksmithing	3.75
Total	\$53.75
ON GENERAL FUND	
D. E. Stitt, recorders fees and printing	\$22.30
J. F. Moreland, marshal's sal.	15.00
Smith & Ellison Elec. Co., electric wiring and supplies	10.75
J. F. McClellan, ditching	1.00
Total	\$49.05

A resolution ordering in certain sidewalks was then read but was laid over till Tuesday evening, June 30, to include other walks in the order. Next the city recorder was instructed to ask the manager of the Oregon Power Company to meet with the council Tuesday evening, June 30, to confer in regard to better light for the city.

The council then adjourned to meet June 30 at 8 p. m.

Grange Expresses Thanks

Monmouth Grange No. 476 by a unanimous vote wishes to express the thanks of that body through the secretary to all who in any way helped to make the session of the State Grange just held here a successful one. To President Ackerman who kindly offered the use of the new gymnasium for a meeting place and in many other ways in which he and the rest of the faculty, together with the students, rendered valuable assistance. We especially thank the business men of the town for their substantial aid, the band for their sweet music and to all the community for their help and encouragement.

P. O. POWELL, Worthy Master.
MAGGIE BUTLER, Secretary.

Barn And 14 Horses Destroyed By Fire

FREEWATER, Or., June 24.—A barn belonging to Bert Boylan, of Dry Creek, was burned to the ground Monday night. The family had retired for the night when the fire was discovered and the flames had made such headway that it was impossible to get the 14 horses out of the barn, and they were burned along with a quantity of hay and machinery. The loss is estimated at between \$4000 and \$5000, with no insurance. The origin of the fire is not known, but it is laid to traps as the place adjoins the O.-W. R. & N. Railroad, and many tramps pass by daily.
