Auto Accident

Mrs. E. R. Ostrom, who lives about a mile south of town, came in Saturday to do some trading and on her way home something got the matter with the steering gear so that the auto sheered off for the side of the road and would not answer to the steering wheel. The auto struck a fence and before it was checked had made its way half length into the field. Mrs. Ostrom was not injured and the damage to the auto was not more than about \$25.

Is Some Farmer

Our friend and fellow townsman, W. J. Mulkey, who lives in the Western division of the city, on a two and a half acre tract of land, according to report is doing some farming, and we are inclined to think that he must be planting in his dreams as he is repeated by one of our honorable citizens as having said that he planted five acres to pumpkins, ten to potatoes and the remainder to corn. Now just what the harvest will be we are unable to tell, but it should be great.

Married at Telocaset, Oregon

Mr. and Mrs. I. L. Haller this week announce the marriage of their daughter, Wanda, to Ernest Elbert Arant, the ceremony taking place at the home of the bride, on the Lyons Hill Road, near

Telocaset, Wednesday, June 17. The bride and groom are well known in this section, where many friends will wish them a long life and much joy. Mr. and Mrs. Arant will make their home at Union where the groom is principal of the Union High School.—Union Republican.

For the Dallas Chautauqua

The following is said of the Dallas Chautauqua:

"Special attention has been given to the music and entertainment portion of the program. Ciricillo, the great Italian director, will be one of the features of the week with his famous band. You may have heard great bands, but you have not heard the superior of Ciricillo's band. The Dunbar Singing Orchestra, the Lyric Glee Club, which the government twice sent to the Panama canal zone to entertain the workers on the big project, Isidore Berger, a noted violinist accompanying the Elwynn Trio, the Hann Jubilee Singers, and others make up a list of musical entertainers that cannot be excelled. Of course, there will be entertainment aside from the musical features—Mrs. William Calvin Chilton, for instance, who is one of America's greatest monodramatists."

Eugene Restricts Dogs On Its Public Streets

EUGENE, Or., June 24.—The City Council has passed an ordinance prohibiting the running of dogs at large within the city and attaching a penalty of a fine of \$5 to \$25. Two years ago the people voted to keep dogs off the streets, but not until now has the Council recognized this vote. Soon after the election the Council passed an ordinance placing a heavy tax on the dogs, and while this diminished the number on the street, it did not have the desired effect.
