

With the Churches

Christian Church.

By H. F. JONES.

A hot-weather victory was won in all of the services last Lordsday. Every service had a record attendance.

Stick a pin in the calendar at July 18. That is the date of our Bible School picnic.

We're looking for you to attend the Bible School next Lordsday morning at 10 o'clock.

Fathers' day was observed last Lordsday, with a special program by the men in the Bible School and a special sermon at 11 o'clock.

If you are too old to enjoy a rousing young peoples' meeting, you would better steer clear of the Endeavor service next Lordsday evening at 7 o'clock.

Alexander the Great was a mighty conqueror, but you may become a greater one. Conquer yourself.

A postage stamp sticks in summer as well as in winter. In all good works emulate the stamp.

Communion and sermon Lordsday morning at 11 o'clock. Bring the children and let us make this a family service.

Register early and avoid the rush.

Evangelistic service Lordsday evening at 8 o'clock. A bright service of song and a sermon.

Spend one hour with us Wednesday evening at 8 o'clock. You'll be a stranger only once.

Evangelical Church

By F. M. FISHER.

Prof. Metzger of Dallas will preach at the Evangelical Church next Sunday in the absence of the pastor, who goes to Seattle in the interest of the Young Peoples Alliance work.

Prof. Gilmore will lead the Young Peoples Alliance next Sunday evening. Come and enjoy the service with us.

Sunday night was surely a record breaker in the attendance at both Young Peoples Alliance and the preaching service. We are glad to see this, and give a cordial invitation to you to attend all of the meetings of the church with us.

Our Campmeeting and Conventions will be held at Jennings Lodge July 28 to August 6. A splendid time is assured, and you are urged to attend.

WEEKLY INDUSTRIAL REVIEW

Oregon Development News In Line of Industries, Payrolls, Products of Labor, Etc

SALEM, ORE., July 8.—During the past week petitions for twenty Initiative measures were completed, and eleven other measures are referred to the people by legislative action. Twelve measures failed to get completed petitions. Thirty-one bills will be voted upon in November.

Engineers have completed survey for drainage of 50,000 acres of the Long Tom basin in Lane and Benton counties.

North Powder will have a 130 foot head water supply.

Harrisburg gets a new two story brick department store.

Sandy carried \$14,000 bonds for a union high school.

Klamath Falls will have a new Presbyterian church.

The Southern Pacific Co. will start work on ballasting its main lines in western Oregon with

crushed rock to be taken from Marion.

Now the State Food and Dairy Commissioner complains because there is no state law providing for the killing of rats.

Agitation at this season of the year starts looking for the biennial appropriation to fight the bubonic plague.

Fitzgerald Bros. of Troutdale are building a ferry to operate across Columbia Slough and Blue Lake.

The halibut industry on Yaquina banks started off with a catch of 30,000 pounds by the first schooner that went out.

Sutherlin has a building boom, one being a \$10,000 residence.

The Public Utility Commission has authorized a raise of telephone rates in all the principal towns of Jackson county to a paying basis.

Oregon sash and door manufacturers had a hearing before the Interstate Commerce commission to protest against lower rates for eastern competitors.

As a result of minimum wage and eight hour laws the Livesley hop yards near Salem will install two picking machines.

The State Tax commission will get up an argument for the two new amendments to the constitution doing away with equal and uniform tax law.

The Bend Water, Light & Power Co. will build a 100,000 gallon reservoir.

Brown Lumber Co. at Cottage Grove will enlarge its logging plant.

Mercy Hospital, Eugene, begins work on a \$15,000 school for nurses.

Eugene has 52 factories and a monthly payroll of \$33,754.

There has been a big hearing on at Astoria before the Interstate Commerce Commission to get better terminal rates.

The S. P. & S. Co. will drill a thousand foot well at Flavel.

The Fremont hotel burned at Salem and will be rebuilt of brick.

Astoria will lay 28,000 feet of sewer pipe this year.

Two freak laws fell by the wayside—the Jackson amendment to tax all lands except sites for public buildings, and the Sunday Blue Law.

Bids will be taken for the pipe line from Oregon City to the south fork of the Clackamas to give that city pure water supply.

Los Angeles capitalists will develop the placer mine on Steamboat creek in the Bohemia district.

The socialist measure for a department of public works under State Labor Commissioner Hoff to employ the unemployed got on the ballot.

The Coos Bay Times will erect a two story office building.

Commissioner Daly of Portland would spend \$100,000 on a new dam across Bull Run to raise the water pressure at Portland.

The Pelican Bay sawmill recently burned will be rebuilt at once.

Grants Pass & Crescent City Railroad is operating five miles.

Wheeler has acquired the water plant and will build a city hall.

Laborers are operating the sawmill at Thompson, Baker county, of which the manager made a failure.

Portland municipal shop will be abandoned about August 1.

Eugene has a \$40,000 modern apartment house just completed.

Irvington gets a new \$40,000

school and Amity a \$20,000 school.

Gladstone has granted a 25 year gas franchise at \$1.40 per thousand.

The ruling of the Attorney General that girls shall not work in hotel cigar stands after six o'clock will be carried into the courts.

Redmond is seeking to locate a large Duncard colony.

Marshfield is to have a glove factory if a free site can be secured.

Amity has a building boom and every carpenter is employed.

Union and Wallowa counties fire protection association will build a complete system of telephone lines.

Woodlawn grange is fighting the eight hour law and tax exemption.

The Oregon Compensation commission begins work with a force of seventeen people, a medical expert and a skeleton.

The Oregon-Idaho Power Co. has a force of 100 men at work at Oxbow on the Snake river.

THE WORLD'S WATER POWER.

Forces That May Be Utilized When Our Coal Is All Gone.

The following figures may prove of interest to those fearing the exhaustion of the world's coal supply, says the American Machinist. In a summary of the water power of the world the possible horsepower of France is estimated at 4,500,000, of which only 800,000 is utilized. About an equal amount of power is available in Italy, but only 30,000 horsepower is utilized. Falls of 10,000 horsepower are abundant in the Alps.

The estimate in Switzerland is incomplete, but about 300,000 horsepower is in use. Germany has 700,000 horsepower available, with 100,000 applied. Norway has 900,000 horsepower available, with a large part already developed. In Sweden there is 703,000 horsepower available.

The resources of Russia are estimated at 11,000,000 horsepower, of which only 85,000 has been developed. The United States is credited with 1,500,000 horsepower, while Japan has 1,000,000, of which 70,000 has been exploited. In India 50,000 horsepower has already been developed, mostly at a considerable distance from any industrial center. In Great Britain there is 70,000 horsepower already utilized, and an equal amount in use.
