

OLD FASHIONED FOLKS

Old fashioned folks! God bless 'em all!
The fathers an' the mothers,
The aunts an' uncles, fat an' tall,
The sisters an' the brothers,
The good old fashioned neighbors, too,
The passing time improves 'em all,
They still drop in and chat with you,
Whene'er the spirit moves 'em.
The simple, unaffected folks
With gentle ways an' sunny,
The brave and true
That live life through,
And stay unspoiled by money.

Old fashioned folks, of solid worth,
On them a benediction!
The joy an' comfort of the earth,
Its strength, without restriction,
The charm of every neighborhood,
The toilers uncomplaining,
The men an' women, pure and good,
Of fine an' honest graining,
The plain and open hearted folks
That make no fad a passion.
The kind and fair
That do not dare
An' are not slaves to fashion.

Old fashioned folks that live and love
And give their service gladly,
An' deem their neighbors worthy of
Their help when things go badly.
The simple sharers of our joys,
Sweet ministers in sorrow,
They help the world to keep its poise
And strength for each tomorrow.
The simple, unaffected folks,
That live for all about 'em,
God bless 'em all,
This earthly ball
Would dreary be without 'em.
—Edgar A. Guest, Detroit Free Press.

With the Churches

Christian Church.

By H. F. JONES.

Good morning. Have you registered.

That Bible School picnic came off according to schedule. If you were not there you missed it.

Last Lordsday's services well attended.

We are after you for the Bible School at 10 o'clock next Lordsday morning.

How would you like it if everybody in town acted just like you?

A tidal wave is sweeping over our country. The safest place will be **dry ground**.

The communion service at 11 o'clock Lordsday morning will be an occasion of fellowship and worship which none should miss. It will be followed by an appropriate sermon by the minister.

We want to divide with you the joy and fellowship of the midweek service. Come Wednesday evening at 8 o'clock. Acts 24.

Young people enjoy those Lordsday evening services at 7 o'clock. Come and help.

A temperance theme will probably be discussed by the minister at the 8 o'clock service next Lordsday evening. Come.

It is the business of the church to proclaim the gospel and point the way of life. That is what we are trying to do. We invite all those who love truth and righteousness to co-operate with us in this task. "Come thou with us and we will do thee good."

Evangelical Church

By F. M. FISHER.

The subjects for next Sundays' sermons are "The Message of Pentecost" and "Excuses vs. Results." You are cordially invited to hear these two messages.

You are invited to join us in the prayer meeting on Wednesday night. During the first fifty years of our existence as a church there were more souls converted during the prayer meeting than in any other service. Let us hold on to our heritage and "Pray without ceasing."

Do you know that over 60 per cent of the people of our nation

are non church goers, and that more than half of the world has never heard the message of salvation through Christ? What is your relation to the "Great Commission?" Be in the Young People's Alliance Sunday night at 7 o'clock and get the "Good News from the Mission Fields."

WEEKLY INDUSTRIAL REVIEW

Oregon Development News In Line of Industries, Payrolls, Products of Labor, Etc

SALEM, ORE., July 20.—W. R. Scott, general manager of 6500 miles of the S. P. system on the Pacific coast, says railroad earnings will soon be on the upgrade.

The bridge across the river at Salem has been condemned and the two counties and the city will erect a \$200,000 structure.

A. B. Hammond of San Francisco says ships costing \$1000 a day to operate will soon be sailing from Astoria and a railroad will be built down the coast.

The old Long Placer mine near Cottage Grove is to be worked for gold.

The Vesuvius mines in the Bohemia district are getting out much ore.

Canneries all over Oregon have run on restricted output, and paid low prices on fruit on account of too much legislation.

Eugene Iron Works has taken a contract to manufacture 500 of the Harden Sanitary Drinking Fountains.

Representatives of the Oregon-California Electric of Medford have been at Riddles to install service.

The Clackamas Gas Co. passes up Milwaukee and will supply Oswego.

A Federal Court and Postoffice building will be erected at Medford.

Hood River has voted \$75,000 road bonds and dedicated an open-air theater.

The Workingmen's Compensation commission has put out nine traveling auditors to drum up business for settlement by the state.

Grants Pass has paid out on the Crescent City railroad to date \$83,318.

A San Francisco firm will erect a brick block on 6th street, Portland.

Portland meat inspection ordinance has been taken into the courts on the ground that it discriminates against all small packers in favor of the meat trust.

A test case has been brought in Marion county on twelve grounds to test the constitutionality of the Blue Sky Law.

Nehalem has voted bonds to purchase the present water plant.

Fruit packing will start August 1 in the Rogue River district.

The Hudson Gold Dredging Co. will construct another dredge for the Sumpter gold placer mines.

A \$10,000 creamery will be erected at Alvadore on Fern Ridge.

Labor Commissioner Hoff decided that the bridge crew on the Grants Pass railroad could not be employed over eight hours. The men get \$3.20 a day and overtime, but were stopped by Hoff claiming it was public work and that an emergency existed. The time was cut to eight hours.

The Greenback mine in Douglas county has been sold to a Mexican syndicate and will be operated on a large scale.

Union Oil Co. builds a \$10,000 storage plant at Eugene.

Booth-Kelly Co. is erecting a

large fire-proof drykilm at Springfield.

A motor road will be built from Mapleton to the beach at Florence.

A streetcar line is to be built from Baker into the Eagle valley.

The state press is fighting the \$1500 exemption for "every person" as a single tax measure in disguise that would further complicate investments in Oregon and drive out capital.

A schooner arrived at Marshfield loaded with skins, tusks and oil of sea lions, a new industry on the Oregon coast.

Congress gave \$150,000 for the fish hatching stations on Oregon waters.

The Interurban Telephone Co. asks to be allowed to raise rates 25 cents per month on account of increased expense caused by minimum wage and eight hour law for women.

The Coast Bridge Co. of Portland got the bridge at Yamhill for one dollar less than the Portland Bridge Co., its closest competitor, \$4,499.

The 100,000 gallon reservoir of the Bend Water Co. is nearly completed.

The Fremont hotel recently destroyed by fire at Salem will be rebuilt of brick, to cost \$20,000.

Representatives of Swift & Co. have been hammering the Oregon cheese industry with importations from Canada and Wisconsin.

Bids are being taken for a \$110,000 high school at Eugene.

The S. P. Co. bridge payrolls on Willamette Pacific will be \$25,000 per month.

Free factory sites are being offered on Coos Bay.

Clatsop county has 700 men employed on the Columbia Highway.

Eugene Fruitgrowers Association will manufacture loganberry juice.

Granite Hill mine in Josephine county is to be operated.

Grants Pass box factory is to resume after lying idle four years.

The Oregon Public Utility commission shows a disposition to allow capital invested in these
