

EUGENICS VS. WAR

What—Men—and do you fight with men,
As beasts with beasts do fight?
Ye men who claim to love your land—
Ye men who love the right?
Is this what ye call loyalty
To fatherland and God;
To use the best as food for guns,
To cover them with sod?
Then who'll be left to stock the land
With men of stronger minds?
The weak, the blind, the sick, the lame,
Will reproduce their kinds.
Oh, nations, leave off fighting now,
Let peace rest on your hands;
Posterity the debt will pay
You made with your own hands.
—Atlanta Constitution

TOUT PASSE

The sea is singing on the beach,
Where it has sung a million years;
Softer than even yours its speech;
Its waves are saltier than your tears.
How many million years to come
Shall tides make yellow shingle wet,
After your voice at last is dumb,
And after even I forget!
—Louis How.

With the Churches

Evangelical Church

By F. M. FISHER.

We are surely surprised at our vacation season attendance. It looks odd to us, and we invite you to join us in making it still more so. The Bible is now printed in 600 different languages, and every year 8 or 10 new languages are added to the list. Does not look like the Bible was a waning book, does it?

Our slogan at present in the fight for State wide Prohibition is "Hatch The Goose Eggs." A dry sentiment is good, but you must chrystalize it into a *dry vote*. While all Europe seems to be in personal combat, we still fight our mutual enemy, the legalized liquor traffic. "The manufacture and sale of alcoholic liquors, is a crime and not a business." "Woe unto him that giveth his neighbor drink, and putteth the bottle to him and maketh him drunken also." The Young Peoples Alliance spent a most pleasant evening with the Misses Charlot and Lillian Marvel on Friday night. After the regular business of the evening, a social time was enjoyed by all. Why not get in touch with the work, of the Alliance? It will pay you, and you can be a helper to us in the plans we are making. "More Boys Wanted" for the Sunday School. That Class In The Corner can stand enlargement. If you are not already in some class, we want you with us.
