They All "Pungled"

There was a lady solicitor in town Wednesday taking subscriptions for the Household Missouri Valley Farmer and two other publications which she was giving away to those who would agree to take them. She first struck Allen Johnson and took his name and address for the free? subscriptions and when that gentleman thought the transaction closed, the lady remarked, "It will take 98 cents to pay the postage," and Allen "pungled."

The next donor to the subscription fund was the city marshal, to whom she made her free offer. He was very obliging, gave his name and address—and held her umbrella over her while she wrote the address, and just as the marshal, feeling delighted over his good fortune, the invariable postage proposition rang in his ears like a silver bell with such surprising force that he "pungled."

Still she made her way about the streets and G. W. Sullivan, W. R. Graham, Ervin Stewart and several others were interviewed and gave their names and addresses to get those free papers and in each case the 98 cents postage brought a silver dollar into view. They all "pungled" and got no change back. She failed to take in the mayor.

FOR GREATER EASE AND COMFORT we recommend

White Cat Union Suits—a leading line with us.

We want to demonstrate for you "how" these suits give smoothest comfort.

They have the knitted Klosed-Krotch like a pair of drawers without a seam. Smooth, unbroken crotch prevents gapping open. No double thickness and no loose folds of cloth to sit upon. No opening of raw edges run to or through the crotch to cut and irritate.

Ask to see the cause of all the comfort—the seat opening down one leg.

You will see "at-a-glance" more reasons for comfort than we could tell you in a half hour.

We are waiting to demonstrate the greater comfort for you.
