FOR GREATER EASE AND COMFORT we recommend

White Cat Union Suits—a leading line with us. We want to demonstrate for you 'how' these suits give smoothest comfort.

They have the knitted Closed-Krotch like a pair of drawers without a seam. Smooth, unbroken crotch prevents gapping open. No double thickness and no loose folds of cloth to sit upon. No opening of raw edges run to or through the crotch to cut and irritate.

Ask to see the cause of all the comfort—the seat opening down one leg.

You will see "at-a-glance" more reasons for comfort than we could tell you in a half hour.

We are waiting to demonstrate the greater comfort for you.

Come in now before the cold weather gets here.
