

A Pretty Wedding

A pretty little home wedding was solemnized at Fir Lawn Farm, near Suver, the home of the bride's parents, on Wednesday, June the second, when Rev. Sievert A. Ramsdel of Dallas and Myrtle A. Withrow of Suver, Oregon, were united in wedlock. Rev. W. S. Plowman performed the marriage ceremony. The bride was beautifully dressed in white crepe de chine and wore a bouquet of Bride's roses. The guests attending were the immediate friends and members of the family. "I Love You Truly" was sung by Lula Peterson, after which the bride and groom entered to the strains of Engleman's wedding march. Miss Eva Kester caught the bride's bouquet. Mr. and Mrs. Ramsdel departed Thursday morning for their home at Florence, Oregon.

Entertained Freshman Class

On Tuesday evening of this week Hjalmar and Ermine Gentle entertained the members of the Freshman class of the High School at their home in North Monmouth. The young people spent the hours with games, music and marching; after these a dainty plate of ice cream, cake and roses was served each guest. At ten-thirty the company disbanded, wishing their hosts many happy returns of the day.

Entertained Friends

Mrs. Alva Craven entertained a number of friends in a very delightful manner a few days ago, in honor of her house guest, Miss Gwendolyn Dicken. A profusion of fragrant wild roses embellished the rooms in a colorful and refreshing way, and each of the daintily appointed luncheon tables was centered with sprays of the same delightful decoration.

The very enjoyable social afternoon was interspersed with a number of musical selections, splendidly rendered by Mrs. Charles Liipfert and Mrs. Maurice Butler.

Those present, in addition to the hostess and Miss Dicken, were Mrs. Nettie Boche, Mrs. F. R. Bowersox, Mrs. Maurice Butler, Mrs. Allen Clark, Miss Cook, Mrs. Willard Craven, Misses Armilda and Paradine Doughty, Mrs. L. P. Gilmore, Mrs. J. O. Matthis, Mrs. Ernest Riddle, Miss Rees and Mrs. Charles Liipfert.

Delicious refreshments rounded out one of the most enjoyable social functions recorded throughout the month.

"Polished Pebbles"

The Monmouth High School presented the operetta, "Polished Pebbles," Friday and Saturday nights to well-filled houses, in a very creditable manner. The plot was a farm scene and engaged the efforts of about forty students, each carrying out their part in a worthy manner showing what diligence and good instruction, backed by a determination to succeed, can accomplish.

Marvelous Aeroscope at the Panama-Pacific International Exposition, San Francisco, Raises Amazed Visitors 264 Feet

FOR the seeker of amusement there is opportunity a plenty in the great mechanical achievement, the aeroscope, on the Zone, Panama-Pacific International Exposition, San Francisco. The aeroscope is built on the order of a giant crane of a novel and intricate design, with a seating capacity of 100 and standing room for twenty more. The car is perfectly balanced, and perfect safety and a fearless ride of ten minutes are assured to passengers who enjoy this trip of 264 feet into the clouds. This is four feet higher than the Ferris wheel. Two men control the ascent and descent in conjunction with the counterbalance of this huge car and when it reaches its extreme height it begins to swing slowly around on the series of wheels at its base, giving the passenger a view of the surrounding country from every point.

A Thrilling Sport.
An exciting Mexican pastime is that of flooring bulls with the hand from horseback. The rider, galloping after the bull, seizes it by the tail and, passing his leg over the tail for the sake of leverage, pulls the poor beast round sideways until it trips and goes crashing to earth amid a cloud of dust. Needless to say, the bull thrower needs a strong hand and steady nerves or he may find himself in trouble.

Scotland's Strange Birds.
From the small island of St. Kilda, off Scotland, 20,000 young gannets and an immense number of eggs are annually collected, and, although this bird lays only one egg per annum and is four years in obtaining its maturity, its numbers do not diminish. Obviously such birds must reach a great age or they would long ago have been exterminated.

His Leg Hurt.
"I got home very late last night from the reunion," said the old veteran, "and my wooden leg hurt me horribly all night long."
"Nonsense!" said a second veteran. "How could your wooden leg hurt you?"
"My wife lammed me over the head with it," the first veteran explained, with a loud laugh.—Chicago Herald.
