

"Mother"

(Tune, "My Country, 'Tis of Thee.")

Mother! That precious name,
Forevermore the same,
Earth's sweetest word!
Though ages past have flown,
No sound was ever known
Like that dear name alone,
Or ever heard!

From childhood's earliest day,
She guarded all our way
With tenderest care,
She shared our every woe,
Each cherished hope did know,
Heard every whisper low
Of childish prayer.

Through the long hours of night,
When tears bedimmed her sight,
Our pain she soothed;
Never of self a thought;
Always for us she wrought;
With tireless love she sought
Our paths to smooth.

Wondrous, oh, wondrous love,
Most like that above,
She gave alone!
Shame! that our lips we seal
From loving words which heal
Each heartache, and reveal
Love oft unknown.

Oh, what a debt we owe!
Our grateful love we'll show
While now we may;
More tender yet to be,
Thoughtful and eagerly
Her slightest need to see
Each passing day.

Our mother's God, to thee,
In deep humility,
We lift our prayer;
Keep those we love the best
Through every trial and test,
And may they ever rest
Safe in thy care.

WEEKLY INDUSTRIAL REVIEW

New Payrolls, Improvements and Factories and Enterprises that Will Give Labor Employment, and Matters Affecting Industries and Investments.

SALEM, OREGON, July 12.—Albany people have started a fight before the Railroad Commission to compel physical connection between the Hill and Harriman lines in that city. The two railroad systems have spent large sums on sidings and terminals in that city. There is competition for business in getting cars, side track service, and routing, as well as in freight rates. If the two companies are compelled to use each others tracks to serve Albany, they will install a joint switching service, probably have a joint freight service, and it will be the end of competition.

Independence—Wilson Brothers logging camp has resumed operations.

Leona—Sawmills here have increased capacity to 100,000 a day.

Wallowa—450 pounds of wool sold at Enterprise for 28 3-8 cents.

Latest enterprise of the \$150,000 Fish and Game Commission is introducing bullfrog industry to supply fashionable grills with frogs legs.

Pilot Rock Record makes plea for product of home flouring mills.

Pendleton—Pacific Power & Light Company reduces rates on electricity for cooking 28 per cent.

North Bend—L. C. Reynolds ships 200,000 feet of cedar to San Francisco.

Hill system taking over Western Pacific gains entrance to Frisco.

Coquille—The city council has bought a large order of iron pipe from the Coos Bay Iron Works.

St. Helens—Lamb Timber Company is building logging railroad to Deer Island.

Tillamook—Arenz Construction Company of Salem was the low-

est bidder on county highway.

Portland—City let paving contracts the past week for \$30,000.

Eugene—Permits for the six months past, \$59,963.

Bay City—Bids for street improvements received to July 15.

Union county has up \$400,000 good roads bond issue.

Grande Ronde—Bids will be taken on 10 miles of road to the coast.

Astoria—Docks commission would open Astor street and eliminate Union town hill.

Warrenton is building a gravity water system from the Lewis and Clark river.

Wauna, Clatsop county, to be connected with Columbian highway.

Montague—O'Reilly Company has large force at work on their St. Helens quarry.

North Bend has ordered three more streets improved.

Klamath Falls—5 1-2 mile dyke completed on E. P. McCornack ranch.

Why allow costly duplication of public utility plants, asks the Oregon Voter, when in the end the consumer and taxpayer must foot the bill?

Lakeview—Goose Lake project to irrigate 30,000 acres is completed.

Springfield—Willamette-Pacific ballasting a mile a day.

Cornucopia—Mines sent out Amalgam bars worth \$51,000 in three days.

Albany Democrat has Saturday night thoughts and some good thoughts on other days.

The sawmill and logging firms that secured the enactment of the workingmen's compensation law are beginning to cry out against the high taxes they must pay.

Hood River strawberry shipments aggregated 100 carloads.

Baker Mill & Grain Company will build a \$10,000 elevator and warehouse.

Taking a religious census, a bath-tub census, and spending public money on "rural sociology" and freak investigations is making higher education unpopular.

John Day—Edible frogs are to be raised in a pond near here.

Organized noise costs money, wastes time and produces nothing.

In forcing the passage of the LaFollette Seaman's law passed by Congress labor suffers most of all, and worthy legislation wanted by labor along other lines will be discredited by labor's wrong judgment in this respect.

Oregon City votes again July 24 on \$20,000 school bonds.

The United States is by far the largest copper producer in the world; in fact, we produce more than all the rest of the world together. The growth of the copper industry in the United States has been notable, according to figures compiled by the United States Geological Survey. In 1845 the production was 224,000 pounds; in 1913 it was 1,224,484,098 pounds. The total production of the United States from 1850 to 1913 was 18,857,476,910 pounds.

The amount of coal mined in the United States in 1913, according to figures compiled by the United States Geological Survey, was greater by 80,000,000 tons than the total which had been mined up to the close of the year 1871.
