Shower for Miss Marvel

A very pleasant evening was spent on Tuesday of this week at the Marvel home, where a large number of Miss Charlotte Marvel's friends assembled to give her a surprise shower. The occasion was a most happy one, as it was also in the nature of a reunion for those who had known and loved the Misses Marvel during their residence here.

A crowd of about forty met early and succeeded in taking Miss Marvel entirely by surprise. The fore part of the evening was taken up very pleasantly with conversation, after which the bride-elect opened the gifts so that everyone might see the many beautiful and useful remembrances. Following this the cake was cut, the fortunate ones being Miss Esther Halvorsen, who secured the ring, and Miss Neta Waller, who obtained the penny. The thimble was avoided by all present and was left on the plate.

After having spent a most enjoyable evening the party broke up, wishing Miss Marvel all the happiness and joy possible.
