

If you want the best
in PLOWS buy

The farmer who buys either the New Deere Gang or Sulky Plow gets absolutely the finest, most servicable implement of its kind ever produced. Before buying such a tool you'll want to know how it's built, how it works and what it will do for you. As to quality of the material and workmanship the name Deere on it is a sufficient guarantee for you on those points. For ease of operation and light draft the New Deere will be a happy surprise to you. The many new features which enable the operator to do work with it he never could do before, with a sulky or gang plow, are marvels of simplicity and effectiveness. It takes a whole book and a lot of illustrations to explain them all, and we know you will want to read the book.

We feel sure we have just
what you want in
wire fencing

WINEGAR & LORENCE

Monmouth, Oregon

Local and Personal

Arthur Burkhead spent the week-end with his mother.

J. W. Noblet of Airlie was in Monmouth the latter part of last week.

Mrs. F. P. Piles was a business visitor at Portland several days last week.

Abstracts promptly made by Brown & Sibley, attorneys and abstracters.

Number one 7-foot Cedar posts, \$10 per hundred at the Monmouth Lumber Yard.

Miss Marie Smith who is teaching at Buena Vista was a week-end visitor at home.

J. W. White and son Earl made a business trip to Alsea last Friday, returning home Saturday.

When renewing your subscription to the HERALD don't forget to remind us of the big magazine offer.

Mrs. Bork left a few days ago for about a three month's visit in the eastern part of this state and states in the east.

Miss Orrie Steinberg is seriously ill at home here and one of the Normal students is substituting for her in the Airlie school.

Mr. Fred Huber and family were Salem visitors Saturday, Mrs. Claude Skinner having taken them over in her car.

Miss Gertrude Buehler, a teacher in the public school at Albany and a former student at the Normal, spent Sunday the guest of Miss Laura Bell.

We made a mistake last week in regard to Mrs. Ragsdale being here with her daughter, Mrs. Edna Tooley, who is attending Normal, as Mrs. Tooley is a grand daughter instead of a daughter of Mrs. Ragsdale.

Allen Towns was transacting business in town Monday.

A. L. Martin, of the Oregon Power Company at Dallas, was in Monmouth Monday.

Forest Notes

The bulk of the railroad ties exported from the United States is shipped to Canada and Mexico. South America ranks third in the receipt of this material.

Canada and Mexico also take the lead in the amount of shingles received from the United States. Australia and the Oceanic Islands rank next in the amount of this material received from the United States.

Of the total amount of railroad ties exported during 1914 (over five million), the State of Washington alone furnished nearly half a million.

According to the latest Forest Service figures, the amount of Douglas fir in the national forests of Washington and Oregon is estimated to be 98,605,000,000 feet.

Nearly seventeen million pounds of wood pulp was exported to Europe from the United States during 1914. Canada ranks second receiving from the United States over seven million pounds.

Yew is given the preference over all other American wood in the manufacture of archery bows. This tree occurs in the Coast region from southern Alaska to northern California. It is also found to some extent in the Cascade Range of Oregon and Washington, and in the mountains of Montana and northern Idaho.

Holbrook Asks Reparation

Because his horse was killed and his buggy demolished and

severe personal injuries received as a result of colliding with a Ford, L. A. Holbrook of Monmouth has filed suit in the circuit court against Mr. and Mrs. Andrew Nelson of Salem. Holbrook alleges that Harry Nelson, young son of defendants, was driving at an excessive speed on the Salem-Independence road on October 1, when he hit the Holbrook buggy. The complainant asks for \$300 damage for property loss and \$1500 for personal injuries. — Dallas Observer.
