

Local and Personal

In last week's issue an error was made in the article on the Parent-Teachers' meeting. Miss Hoham promises the Training School Orchestra, and the members of the Association will spell, or try to, the words the children have to spell.

Mr. Will Riddell, Jr., returned home last Sunday from the Cattle Show at North Yakima, Wash., and his brother, Dave, will exhibit their sheep at the Portland Show. They did well on their sheep and goats at the Yakima Show.

Mr. N. Needham and son of Arizona, who arrived here Sunday from Portland for a visit with Mr. and Mrs. A. B. Morlan, left Tuesday for Brownsville. Mr. Needham was formerly a partner with Mr. Morlan in the grocery business here.

An unknown person who evidently enjoys piscatorial amusement, advertises in The Monmouth Herald the loss of a fish-basket and two cans of salmon eggs between Monmouth, Bridgeport and Falls City. This party is evidently not aware that the fishing streams of Polk county have been closed since last midsummer.—Observer.

Mr. and Mrs. C. H. Boothby entertained a few of their relatives and friends on last Sunday with a turkey dinner which was postponed from Thanksgiving on the account of some not being able to be present at that time. All enjoyed the day to the fullest extent. Those present were: Mr. and Mrs. George Boothby, Mr. and Mrs. R. E. Derby of McMinnville, Mrs. W. D. McCready of Corvallis, and Irvin and Clarence Ground.

Returned From Visit East

Mr. and Mrs. O. C. Zook returned home Wednesday from a three month's visit to relatives and friends in Idaho, Wyoming, Kansas, Missouri, Iowa, Colorado and Nebraska.

Mr. and Mrs. Zook are highly pleased with their trip but both declare there is no state like Oregon and that they would not give Polk County for all they saw of the East. Sunday morning when they came through Pocatello, Idaho, it was snowing and the thermometer registered five degrees below zero.

Monmouth High School Wins Double Header

The first and second high school teams were victorious in a double header basketball game at the high school gymnasium last Friday night, the second team winning from Chase's quintette from Dallas by a score of 15 to 12, and the first team defeating Buena Vista 35 to 5. Both H. S. teams are playing good basketball and many good games are looked forward to this winter. It is rumored that the first team is going after the State high school championship and from the score last Friday night stand a good chance of winning it. One of the largest crowds of the season attended the game.

Addition to Garage

The building activities in Monmouth are still going on. Graham & Son are having an addition built onto their garage, 35x77, which will double the capacity of the building. Work was started Wednesday on the east side of the structure and the construction will be of cement. The new addition will add greatly to the convenience of the garage and will fill up the space left vacant by the house recently moved from there.
