

If you want the best
in PLOWS buy

The farmer who buys either the New Deere Gang or Sulky Plow gets absolutely the finest, most servicable implement of its kind ever produced. Before buying such a tool you'll want to know how it's built, how it works and what it will do for you. As to quality of the material and workmanship the name Deere on it is a sufficient guarantee for you on those points. For ease of operation and light draft the New Deere will be a happy surprise to you. The many new features which enable the operator to do work with it he never could do before, with a sulky or gang plow, are marvels of simplicity and effectiveness. It takes a whole book and a lot of illustrations to explain them all, and we know you will want to read the book.

We feel sure we have just
what you want in

P. D. Quisenberry has resigned his position in the drug store at Bay City and accepted one with the Fuller Drug Company at Dallas, commencing work about the 15th of this month.

Miss Gladys Parker, who left here some time ago with her father, C. H. Parker, writes to have the HERALD sent to Boulder, Colorado. We understand Miss Parker is regaining her health.

In these days when everybody is using the telephone and the mail for business purposes, we notice that a large number of our subscribers are using the mails in renewing their subscriptions.

We always like to see your cheerful faces in our office, but we realize that you use the telephone or the post office for the same reason we do—to save steps, and we are perfectly willing to have you send us your orders by post.

But in renewing your subscriptions this year, we wish to inform you, that you can, if you wish, secure four magazines by adding 18 cents to the regular price of our paper—make your check to include the great magazine club we have advertised elsewhere in this issue of the paper. Look over the remarkable club of high class magazines we offer you in connection with our own paper for only \$1.68 a year—not \$1.68 extra, as you may be inclined to think when you look over the advertisement and see the publications offered—but a \$1.68 pays a years subscription to our paper and four magazines besides.

Drop us a line right away—so that we can get your name in our next order to the publishers. You ought to get every bit of your reading matter from us while this bargain offer holds good.
