

If you want the best
in **PLOWS** buy

The farmer who buys either the **New Deere Gang** or **Sulky Plow** gets absolutely the finest, most servicable implement of its kind ever produced. Before buying such a tool you'll want to know how it's built, how it works and what it will do for you. As to quality of the material and workmanship the name **Deere** on it is a sufficient guarantee for you on those points. For ease of operation and light draft the **New Deere** will be a happy surprise to you. The many new features which enable the operator to do work with it he never could do before, with a sulky or gang plow, are marvels of simplicity and effectiveness. It takes a whole book and a lot of illustrations to explain them all, and we know you will want to read the book.

We feel sure we have just
what you want in
