Dedicate Highway

Oregon's great scenic roadway, the Columbia river highway, will receive its national dedication the afternoon of June 7, opening day of the Tenth annual Rose Festival.

The President of the United States, his cabinet, representatives of foreign governments at Washington, crowned heads of Europe, governors of all states and senators and representatives have been invited to be present.

The event is to take place at Multnomah Falls. Since there will be hundreds of automobiles on the highway June 7, arrangements have been made to have the Oregon National Guard police the roadway. The Portland Chamber of Commerce has instituted a clean-up campaign and in connection with this is offering prizes for the best appearing farm houses along county roads leading to the highway proper.

Special trains will make trips between Portland and Multnomah Falls to carry festival visitors to and from the dedication. The ceremonies will take place at 2 p. m. The queen of the festival will also be crowned queen of the highway and with her maids of honor, festival directors and the official party will proceed to Multnomah Falls immediately following the Children's parade, the pageant to open the festival the morning of June 7 at 9:45.

The highway as well as other Oregon scenic attractions such as Mt. Hood, Crater Lake, caves of Josephine county, mineral springs and the mountains, lakes, rivers and valleys have been widely exploited this year by the festival association and the railroads and thousands of tourists are expected in the state festival week, and throughout the summer as a result of the advertising campaign of 1916.

Little Myra Explains.

Little Myra Lee had been in school but a few days when her mother had occasion to write a note to the teacher and signed herself Mrs. Kent. Thinking she might have misunderstood the child's name, the teacher asked an explanation.

"Oh," said Myra, with a charmingly confidential air, "you see, my mamma got married again, but I didn't."

Keeps Him Guessing.

"Although a small woman, Mrs. Twobble finds no difficulty in making Mr. Twobble toe the mark." "That's because she's clever." "How so?" "She keeps Twobble guessing as to the exact location of the mark and half the time he toes it unconsciously."—Birmingham Age-Herald.
