NOTICE TO CONTRACTORS— STREET PAVING

Monmouth, Oregon, April 25, 1916. Sealed bids will be received at the office of the city recorder of Monmouth, Oregon, until 6 o'clock in the afternoon of May 16, 1916, for the furnishing of all materials and labor and construction of hard surface street paving, consisting of grading streets to sub-grade, building concrete curb lines thereon, constructing hard surface paving and installing a system of storm sewers thereon, all according to the plans and specifications thereof prepared by the Himes Engineering Co. of Dallas, Oregon, now on file in the recorder's office of Monmouth, Oregon, which plans and specifications are hereby referred to and made a part of this notice as to the general character and nature of said proposed work, except each bidder shall furnish specifications for his kind of paving and may be seen and examined at the office of said recorder or in the office of said Himes Engineering Co. at Dallas, Oregon. Each bidder is required to state in his bid the price per cubic yard for said grading, per square yard for said paving, and per lineal foot for said curblines, and price for installing said storm sewer system, and the total cost thereof; and bids may be submitted for separate parts of said work, viz: one for grading, one for paving, one for curb lines and one for storm sewer, or one bid may include all of said proposed work.

That all bids must be accompanied with a certified check of 10 per cent of the total amount of such bid, subject to forfeiture if such bid is accepted and bidder fails to enter into a contract and give bonds for the faithful performance of said work according to terms of such bid and said plans and specifications.

That such bids will be opened and examined by the common council of said city of Monmouth on the 16th day of May, 1916, at 8 P. M. thereof, at the council chambers in said city, and at said time and place either accepted or rejected, or at such time as the common council may adjourn its said meeting. Said common council reserves the right to reject any or all bids.

By order of the common council.

TRUE ECONOMY . . .

means the wise spending of one's money—making every dollar do full duty and getting in return an article that will satisfy you in every way.

The . WHITE .

is a real bargain because it is sold at a popular price; because it gives you the kind of sewing you delight in; because it will turn out the work quickly and thoroughly and give you a life time of satisfactory service; because its improvements will enable you to do things which can't be done on any other machine; because it will please you with its fine finish and beauty of its furniture. In short you will find the White reliable and desirable from every point of view.

Be sure to see the White dealer who will be glad to show you how good a machine the White is. If there is no White dealer handy, write us direct for catalogs. We do not sell to catalog houses. Vibrator and Rotary Shuttle Machines.
