A WORD FOR CEMENT IMPROVEMENT

Editor of the Herald:

Many went to the cemetery on Decoration day to place flowers on the graves of their departed friends and many were the complaints heard at the neglected condition of the cemetery. It was an affecting scene to see women, children and men wading in grass and briars waist deep trying to locate the last resting place of those who were near and dear to them.

The K. of P. lodge at Independence has charge of the cemetery and if they have ever done anything but take in the money for lots sold, its condition does not show it. Now why can not the Civic Club take the matter up with the K. of P. lodge and see if there can't be sufficient money raised to put the ground in good condition. There should be a man employed by the year to keep up the work. The money could be raised by contributions of a dollar annually by those who have relatives and friends buried there which we are sure they would be willing to do.

GEO. T. BOOTHBY

Gov. Withycombe addressed the Boy Scouts and Camp Fire girls at Independence last Tuesday evening.

Four graduates of the Buena Vista high school participated in commencement exercises in the Methodist church at that place Thursday.
