Shattering Auto Records.

Shattering all existing records between Portland and Spokane, F. W. Vogler, northwest representative of the Reo line, and H. C. Harris, factory representative of the line, arrived in Spokane Tuesday in a 1916 Reo four cylinder touring car. The actual running time between Portland and Spokane was 20 hours and 59 minutes for a distance slightly in excess of 475 miles, an average speed of almost 23 miles an hour over all kinds of roads.

Not satisfied with making a Portland-Spokane record, Mr. Vogler and Mr. Harris also set marks between Pendleton and Dayton and Colfax and Spokane. They made the run from Pendleton to Dayton in two hours and 38 minutes and drove from Colfax to Spokane in two hours and three minutes.

It is seldom that the trip from Portland to Spokane is attempted by automobile and because it has been made so few times many motorists think it can not be made. According to Mr. Vogler it is as nice a three-day tour as there is in the northwest, the scenery along the route comparing favorably with any in the country.

Washington Fruit Crop Is Late.

Olympia, Wash.—For the whole state of Washington this year's fruit crop is from one week to two weeks later than normal, according to Assistant State Commissioner of Agriculture Morrison. Soft fruits were materially damaged by the hard frost of May 10, 11 and 12. The cold weather of last winter did more damage than the frosts of spring, however. Light cherry, raspberry, blackberry and loganberry crops are predicted for Western Washington.
Reports from Yakima county place the apple crop there at 65 per cent of a maximum crop, pears at 53 and peaches at 40 per cent. Cherries are cut down to 18 per cent, prunes and plums 40 and apricots 26. Notwithstanding general damage to Washington apple orchards, it is estimated that increased acreage in bearing will produce more carloads of fruit this year than were shipped last season.

Hogs Sell Dime Higher This Week.

An increase of 10,000 hogs to date this month over 40,000 gain for the year looks as if not all the hog raisers had "absolutely" gone out of business yet, says the Portland Live Stock Reporter. The past week wasn't very strong as far as prices were concerned. Barely a nine-cent level was maintained after Monday and from Thursday \$8.95 was about the top.
Hog trade opened up briskly on a curtailed receipt basis. Quite a number of hogs were weighed up to packers on arrival, buyers being anxious for their supplies. Packers' first bids were at \$8.90 @8.95, but as high as \$9 @9.10 on an excellent load was realized later as the market warmed up. Butchers' bid was up to \$9.10 on ordinary quality. Bulk of the packer stuff, however, brought \$8.95 @9.

Mohair Season Now Nearly Over.

Portland—The few lots of mohair remaining in the Willamette valley are being taken up at reduced prices. The aggregate quantity remaining unsold is small and should quickly be disposed of.
There is criticism in some quarters of a local buyer who made the announcement that he would pay only 35 cents this week, and charges of manipulation are made. The growers will remember, however, that it was this same buyer who started the advance at the opening of the season, and was responsible, more than anyone else, in getting the farmers more money for their mohair than they ever before received. It is his privilege to reduce his buying price at this time, when the supply is practically exhausted, if he sees fit.

RESINOL SPEEDILY HEALS ITCHING, BURNING, SKINS

Usually resinol ointment, with resinol soap, stops itching at once, quickly and easily heals distressing cases of eczema, rash, ringworm, tetter or similar tormenting skin or scalp eruptions, and clears away pimples, redness, roughness, and dandruff, when other treatments have proven useless.

Physicians have prescribed resinol for twenty years, while thousands whose skins have been healed say, "What resinol did for us it will do for you." Try it! All druggists sell resinol soap and resinol ointment.—Adv.

Watchful Waiting.

Tommy had a cold in his head, which confined him to the house, so he was allowed to invite his young friend, Jack, to tea.

Afterward the two small boys commenced playing hide-and-seek, and Tommy rushed into the dining room and asked his father to conceal him. This his father did, behind a big arm-chair.

Presently in came Jack, and instead of beginning his search, calmly threw himself down on the rug before the fire.

"Come, Jack," said Tommy's father, "aren't you going to look?"
"No fear," was the small boy's calm retort. "I'm waiting till he sniffs!"—London Answers.

Backache? Run Down? Tired? Clean the Kidneys with Hot Water and "Anuric"

When run-down after a hard winter—when life indoors has brought about a stagnant condition in the circulation—most everyone is filled with uric acid—especially is this so of people past middle age. This uric acid in the blood often causes rheumatism, lumbago, swelling of hands or feet, or a bag-like condition under the eyes. Backache, frequent urination or the pains and stiffness of the joints are also often noticed. Dr. Pierce says that everyone should have a good sweat every day—should drink plenty of pure water and exercise in the open air as much as possible. This helps to throw out the poisonous uric acid thru the skin and the "water." But for such persons as are past middle age it's often impossible to do this and lime salts are deposited in the arteries, veins and joints, causing all

kinds of distressing conditions. An antidote for this uric acid poison is to take hot water before meals and "Anuric." Ask your druggist for Doctor Pierce's Anuric, or send Doctor Pierce's Invalids' Hotel and Surgical Institute in Buffalo, N. Y., a dollar bill for a full treatment, or ten cents for a trial package.

"Anuric" is a recent scientific discovery by Dr. Pierce. "Anuric" drives the uric acid out of your body. It is a uric acid solvent so effective that it eliminates these poisons, cleanses the system, allows your over-worked kidneys to resume their normal functions, and just a few days' treatment with "Anuric" will convince you because it brings lasting relief to your painful, aching rheumatic joints—no more backache or dizzy spells. Try it now and be convinced!
