## Broken Fetters

VIOLET MERSEREAU  
IN  
"BROKEN FETTERS"

The secrets of Chinatown are disclosed in the Bluebird Photoplay, "Broken Fetters," to be the attraction at the Norm theater on Sunday, July 2, with Violet Mersereau enacting the role of Mignon, a girl-slave who has been smuggled into America by a Chinatown trafficker in opium and humans. The rescue of this girl is effected by an artist, who has arranged for Mignon to pose for him at his studio. The scenes are laid both in China and America and Rex Ingram, who directed Miss Mercereau in the production, has perfected many scenes of Celestial beauty. The Chinatown revelations are pictorially authentic, having been photographed in the famous colony and include interior and exterior scenes of great interest. Thrilling episodes are many and a series of adventures are introduced in logical sequence to hold the attention gripped in the uncertainty of the final outcome. Matinee at 2.30 evening show at 7.30, 5 & 10c
