Quite a number of students are out of school this week, owing to the fair at Salem. Among those attending are: Misses Wilda Fuller, Hope MacDonald, Neta Harvey, Josephine Heffley, Helen Scott and Frieda Powell. Misses Beth Ostrom and Frances Brewster are on the team representing Monmouth in the canning contest. The Messrs. J. B. V. Butler, Jr., Earl Williams, Burton Bell, Ellis Fisher, Robert Hinkle, Denzel Moore and Clay Moreland were also in attendance.

The athletic clubs have arranged to open the gymnasium Monday. The girl's club have chosen Miss Gaynelle Shore as coach and will organize for regular work next week. The boys have not yet organized.

October 5, 1916.

On Thursday the Senior class met for the first time this year, and organized. The officers elected are: President, Lu Ruggles; Vice-President, Clarence Walker; Secretary, Alice Hamm; Treasurer, Guy Sacre; Member of Executive Committee, Gaynelle Shore; Sergeant-at-Arms, Silas Starr. On the following Tuesday they met and elected Miss Doughty as Class Advisor.

The enrollment of M. H. S. has reached 89, the record-breaker in the history of this high school.

The girl's literary society, better known as Athena, gave an informal reception to all the other girls in school Thursday evening. Mr. Hedrick, Miss Hawley, Mr. Taverner and Mr. Sickafoose, janitor, were also present. Each of these honor guests gave a short, but very appropriate, talk, after the President, Miss Gaynelle Shore, had stated the purpose of Athena. After a very pleasant evening had been spent the guests departed, determined to become a member of the society as soon as possible.

The gymnasium was opened Monday evening when the girls met and began work. A permanent schedule has not yet been decided upon.

The Sophomore class has been organized and from appearances they are trying to make a showing, at least in "ducking" the "Rooks."
