For more than half a century the name
 of Van Brunt has stood for the best in drill
 construction.

Van Brunt Single Disc Drill

From the first all effort has been two fold. First, to make a per-
 fect seeding machine, and second, to construct that machine so as
 to give long life and constant service, Van Brunt drills today fulfill
 this ideal.

WINEGAR & LORENCE, Monmouth

Happily Wedded

It is doubtless surprising to the
 inhabitants of Monmouth that a
 wedding occurred Sunday after-
 noon. It is rumored that the
 bride and groom are still attend-
 ing the Normal.

They are striving earnestly to
 keep the secret, but through the
 undaunted efforts of our most
 faithful and reliable reporter, it
 has leaked out. The bride is Miss
 Samantha Arethusa Goketchim
 and the groom is Mr. Ezra Hiram
 Copitkee. Reverend Nebuchan-
 nezzar Knock-down-and-drag-out
 officiated. So, if you happen to
 have the pleasure of the acquaint-
 ance of the young couple, please
 do not embarrass them by stop-
 ping them to say that you know
 all about the wedding.

Owing to the necessary secrecy
 of the event, only a few of the
 very intimate friends were pres-
 ent. Mr. and Mrs. Ezra Hiram
 Copitkee went to Cupid's Knoll
 for their honeymoon, which in-
 deed seemed very appropriate.

For County Surveyor

Feeling that some do not know
 that I have returned from the
 trip to the border as a member
 of Co. L of Dallas, also that some
 may have been misinformed as
 to my being a candidate for the
 office of County Surveyor for
 which I received the Republican
 nomination at the Primary Elec-
 tion, I wish to say that I am still
 in the race and with the limited
 time before the election Nov. 7th
 will conduct the same straight
 forward kind of campaign as I
 did for the Primary Election.

While it will be impossible for
 me to see each individual and
 discuss the problems in which we
 are interested in our county I can
 assure you that your support will
 be sincerely appreciated.

Respectfully,

Pd. adv. HOMER A. ROBB.
