

West Side Road

G. T. Boothby journeyed to McMinnville Wednesday where with Roadmaster Flynn and H. Hirschberg of Independence he had the honor of representing Polk county at the West Side Highway association meeting. Not a great deal was done except to appoint a committee of one from each county interested to wait upon the state highway commission to endeavor to get an expression from the board as to the location of the road. Yamhill county has two projects on hand, one from Newberg to Willamina and the other from Newberg to Hopewell and the road men of that county are thinking of asking for bonds to build with and to tax autos that travel over the same to collect the money to make the payments, which would make it a variation of the toll system. Road making is looking with some anxiety to the workings of the six percent law and this law is expected to make it hard to get state money for road work.
