The children of 1400 rural schools in Oregon have been using lessons on the fight against tuberculosis as texts in their class work during the past year. The lessons are furnished free by the Oregon association for the prevention of tuberculosis as a part of its work.

Now they are organizing to help the Red Cross Seal sale of the association, so that this method of disseminating information may be continued and the association be strengthened in its campaign to exterminate the dread disease in this state.

Acting under the formal approval and direction of the board of school directors the children of 52 Portland schools will also join in the big movement.

Last year the children secured \$775.74 from the sale of Red Cross seals. It is expected that more than \$1,000 will result from their enthusiastic work this year.

Their effort will be made mainly during "Tuberculosis Week."

This comes December 3 to 10, reaching a climax with "Tuberculosis Sunday", December 10, when every pulpit in the state is asked to join the campaign by re-

counting progress and repeating the warnings against the disease.

According to the Monitor the Valley & Siletz railroad has reached the Independence city limits with its rails.

The Greatest Weather Prophet

Rev. Irl R. Hicks, of St Louis, the greatest and most successful of weather forecasters, died on Oct. 12th after a short illness. Before he took sick he had entirely completed his work on the great Hicks Almanac for 1917 and had read the proof of all his weather forecasts for a year in advance. This notable Almanac is now ready and is a fine specimen of Almanac making. Prof. Hicks' portrait was painted by a leading artist in St Louis in May, and this portrait, printed in colors, makes the frontispiece of the 1917 Almanac. The price of the 1917 Almanac is 35 cents by mail. Prof. Hicks' monthly Magazine, WORD AND WORKS will also be continued by the publishers. WORD AND WORKS one year with the Hicks Almanac for one dollar. Send 5 cents for a sample copy of WORD AND WORKS. Address Word and Works Publishing Company, 3401 Franklin Ave., St Louis, Mo.
