A law regulating the settling of disputes on the building of inter-county bridges by making the state highway engineering department the umpire, was passed by both houses.

According to tax roll figures just made public Monmouth has the lowest tax rate of any city in the county. West Salem has the highest levy, 53.6 mills; Falls City has 51.6; Independence 48.6; Dallas 44 and Monmouth 41.6.

J. W. Howell insists that no write-up of Uncle Joe Craven is complete without reference to the crowless rooster, a barnyard phenomenon which it has been Mr. Craven's life long labor to perfect. Just why these two gentlemen should harbor evil intentions toward the king of the poultry yard when they themselves are not over blameless when it comes to crowing, is more than we can see. Mr. Craven thought he had at last achieved a crowless rooster but it proved a false hope. We hope both gentlemen may live and flourish until they or someone else achieves this pet ambition.

High School Notes

The Monmouth high school basketball team was defeated by Newport last Thursday evening by a score 24 to 19. Monmouth

started with Sacre and Starr as forwards, Clarence Walker, center and Portwood and Hiltibrand guards. They put up a fast, clean game but Newport was too much for them. Tonight the locals play a return at Newport and hope for a better break.

The Sophomore girls won from the Juniors Tuesday night with a score of 9 to 5. The work of the Misses Pyle and McDonald is especially worthy of mention.

It was an all around basketball week for Saturday evening the "Cubs" journeyed to Albany to repay a recent visit of the "Angels" and were swamped to the tune of 34 to 7. The Cubs were some rattled at the time of the game because of the strange floor but the crowd treated them finely and all enjoyed the trip. Those going were Conkey, Rogers, Williams, Moreland, Winegar, Hinkle and Tavenner.

The Y. N. O. A. elected officers for the second semester last Friday night. J. B. V. Butler, Jr. was elected president and Mr. Hedrick vice pres.; Ralph Brown secy.; Mr. Tavenner, treas.; Harold Olson, page. The Social committee is: Clarence Walker, chairman, Ellis Fisher, Ralph Brown; Program committee, Geo. Walker, chairman, Guy Sacre and Myrle Mulkey.
