## Local Brevities

Mrs. Lillie Johnson and children spent last week with relatives and friends in Albany.

Mrs. Peter Skogset of Portland and daughter Mrs. Roy Hall of McMinnville were up visiting at the home of Mr. and Mrs. M. M. Harvey and family Friday and Saturday. They were well pleased with the appearance of this country.

Mrs. Mabel Ground Johnson, a daughter of Mr. and Mrs. L. Ground returned Sunday evening from Chicago where she has been attending the American Conservatory of Music for the last two years and is now a graduate from that institution.

J. M. McDonald has received notice from the State Dairy Inspector, that after September the first, any one in the State of Oregon, wishing to sell milk, must have his cows tested for tuberculosis. This is a state law, passed by the last legislature and it means the man with one cow as well as the man with fifty. Mr. McDonald believes that this is a good law and hopes it will be vigorously enforced.

Joe Clark writes from San Francisco that the marines are expecting to move this week but in the direction of which point of the compass, could not say.

A trip through the fine bungalow which Jos. Craven and M. J. Butler are building, presented evidence that the house is an unusually nice one. With well arranged rooms and modern conveniences it makes a home any ordinary person might be proud to possess.

Rev. Harold Humbert of Eugene, who has been preaching at Thurston, occupied the pulpit in the Christian church last Sunday evening. He is a candidate for the pastorate when Rev. Elkins retires. Mr. Madden, a returned Japanese missionary will serve the church next Sunday morning and evening.

Students who expect to attend Normal during the regular session will do well to look at the housekeeping rooms at Mrs. W. H. Mack's. They are clean, comfortable and homelike.

### The World's Greatest Film

Every genius has his master creation, and it is no discredit to D. W. Griffiths to say that when he turned out *The Birth of a Nation*, he gave the world and posterity the highest possible attainment of his powers—for he also gave a marvel that no other man could surpass.

To see *The Birth of a Nation* the first time is only to be electrified at its enormity, stupified at its myriad of flashing wonders; to see it a second, a third—many times, is to be enabled to sit back comfortably and enjoy it; more at each sitting.

Its indisputable spell is being continuously proven in every section of the country, capacity houses turning out everywhere to see it every time it returns, and most of them to several of the performances at each engagement.

D. W. Griffith's *Birth of a Nation* is coming to the Isis theater, Independence, July 22, Matinee and night, for the first time and will be accompanied by a specially adapted three hour musical score played by the organizations own director.

Matinee at 2:30, Adults 50 cts., children 25 cents. Evening at 8 P. M. Adults 75 cents, children 50 cents.
