

direction of the noise and saw that some of our troops were all firing into the air. And there, above, was the first German taube I had ever seen. The pilot was flying very low and within easy rifle range, so I got excited and dragged out my rifle and began firing at him too. His machine, I heard afterward, was absolutely riddled with bullets and he was wounded in three places. That was my first shot at a German. It was in Ypres, too, that I saw 700 of the Prussian guard brought in, and I must say that they were some of the finest looking soldiers I have ever seen. They were all great big fellows, and our infantry chaps looked mighty small beside them.

MONMOUTH HIGHWAYS

Vol. II Monmouth, Ore., Friday, Oct. 26, 1917 No. 2

Written, Edited and Set in Type by Students of Monmouth High School

The Athena Society gave its annual reception to the new members last Thursday evening and while mere man was not permitted to intrude, it's reported that everything dear to the feminine heart in the line of eats and amusements was there.

Miss Opal Wheatly, the girl naturalist, is scheduled to appear at the High School Auditorium on November 3rd. Besides offering a very instructive lecture, Miss Wheatly will have on display many interesting specimens of the plant world.

Friday evening, the Sophomore and Junior classes gave a party at the gymnasium which was well attended, Miss Fishwood acted as chaperone. As the "juice" had not been connected for this year the illumination was furnished by lantern.

The food conservation meeting was held in the High School Monday evening. About 200 citizens being present. Senator Hawley was the principal speaker, E.H. Hedrick presiding.

Information and pledge cards have been sent to most of the families. The remainder will be supplied as soon as cards are received. Of the pledge cards now out fully 90 per cent are coming signed.

Wednesday afternoon the Students of the Monmouth High harvested the crop of potatoes grown on the athletic field.

The Chorus Organization of the

High gave its first of the bi-weekly programs on Friday. Though it was largely Freshmen who were represented this time, the performance was fully up to its old form.

Mr. Burton Arant is scheduled to appear at the next program which will be on Nov. 3rd.

Stanley Evans, a former student of Monmouth High, who is now a member of Co. L 3rd Inf. and home for the last time before sailing, paid the school a brief visit, Friday. After being presented by Geo. Walker, Evans was given a rousing nine rahs, by the Student Body. He responded by a short and inspiring speech in which he urged the students to take advantage of their opportunities and keep the standard high.

Physiology and Botany have been substituted for Biology, Physiology the first semester and Botany the last.

Latest: Potato yield 6010 lbs.

Theodore Holoway, who volunteered last spring from M. H. S. paid us a visit Tuesday and Wednesday. He returned with Bruce Rogers, Willie Harvey, Denzel Moore, Earl Conkey and Robt. Hinkle Wednesday morning.

Mr. and Mrs. N. E. Foster are in Portland at present and on Tuesday Mrs. Foster was operated on in the Good Samaritan hospital for gall stones.
