After the day's grind, a rest and a chew of Real Gravely. This is solid tobacco comfort; and to think—Six sent it, too!

His Best Friend Sent Him a pouch of Real GRAVELY Chewing Plug

You will be sending your friend more tobacco comfort and satisfaction in a pouch of Real Gravely Plug than in a half a dozen plugs of ordinary tobacco. Real Gravely is worth sending a long way. It is condensed quality.

Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best!

Ordinary plug is false economy. It costs less per week to chew Real Gravely, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE
A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c. stamp will put it into his hands in any Training Camp or Seaport of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.
