Tobacco is about the only comfort the soldier has—and no chance to smoke on duty! But a satisfying chew of Real Gravelly Plug—he can enjoy that even in a shell hole in No Man's Land. Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravelly with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.
