Uncle Sam will Hand Him Real GRAVELY Chewing Plug in a Pouch from You

The U. S. Mails will reach any man in Uncle Sam's Service. When you send him tobacco, let it be good tobacco—tobacco worth sending all that long way—the flat, compressed plug of Real Gravelly.

Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravelly, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravelly with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELLY

Dealers all around here carry it in 10c pouches. A 3c stamp will put it into his hands in any Trainine Camp or Seaport of the U. S. A. Even "over there" a 3c stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.
